

PCH PARKING STUDY

Public Meeting

November 29, 2016 | 6:30 PM to 8:30 PM

PCH Parking Study

The City of Malibu in collaboration with the Southern California Association of Governments (SCAG) and Caltrans is conducting a study and preparing recommendations to improve parking along Pacific Coast Highway (PCH) within the Malibu City limits to promote safety and mobility throughout the region.

Public Meeting

Please join us Tuesday, November 29 for a public meeting and presentation.

Representatives from the City, SCAG, Caltrans and the consultant team will give an overview of the work performed to date including an update on the existing conditions and the safety assessment phases of the project. The meeting will also include a discussion of the process for developing recommendations and an examination of potential recommendations to improve parking safety and promote mobility on PCH.

Meeting Location

Malibu City Hall
