

Children's Cartooning

Tuesday

3:30-4:30pm, \$180

January 24 - March 21

Michael Landon Center

Learn how to draw fun and easy characters by exploring the basics of cartooning. Draw robots, dragons, silly characters, everyday cartoons and much more! Children will leave the class inspired to create their own characters at home then bring them back to class to share. Instructor, Larry Scott, has over 30 years of cartooning experience.
