

Disaster Preparedness for Pets

Many residents consider their pets to be members of the family. DisasterPrepped.com is a website that provides useful tips for pet owners to prepare and protect their pets in the event of an emergency or disaster situation.

Several articles are available to address pet owners' needs based on the type of animals in your care:

- Disaster Preparedness for Pets (general): www.disasterprepped.com/preparedness_pets.php
- Disaster Tips for Reptiles and Amphibians: www.disasterprepped.com/reptiles.php
- Disaster Preparedness for Horses: www.disasterprepped.com/preparedness_horses.php
- What's Best for My Pets? Deciding to Stay or Go: www.disasterprepped.com/pets_evacs.php
