Guide to the City Commission Proceedings

As a result of the Coronavirus (COVID-19) pandemic, the City is under a state of local emergency, as well as states of emergency that have been declared in the County of Los Angeles, state of California, and a federal emergency declared by the President of the United States. In order to reduce the risk of spreading COVID-19, the City Council meeting will be open and public but conducted virtually because meeting in person would present imminent risks to the health or safety of attendees. This way the public, the staff, and the Council will not be physically in the same place.

The Oral Communication portion of the agenda is for members of the public to present items which are not listed on the agenda, but are under the subject matter jurisdiction of the Commission. Although no action may be taken, the Commission and staff will follow up, at an appropriate time, on those items needing response. Each speaker is limited to three (3) minutes. Members of the public wishing to speak during the meeting must participate through the Zoom application. The City requests that you sign up to speak before the item you would like to speak on has been called by the Chair and then you must be present in the Zoom conference to be recognized. Please visit <https://malibucity.org/VirtualMeeting> and follow the directions for signing up to speak and downloading the Zoom application.

Items in Consent Calendar Section A have already been considered by the Commission at a previous meeting where the public was invited to comment, after which a decision was made. These items are not subject to public discussion at this meeting because the vote taken at the previous meeting was final. Resolutions concerning decisions made at previous meetings are for the purpose of memorializing the decision to assure the accuracy of the findings, the prior vote, and any conditions imposed.

Items in Consent Calendar Section B have not been discussed previously by the Commission. If discussion is desired, an item may be removed from the Consent Calendar for individual consideration. Commissioners may indicate a negative or abstaining vote on any individual item by so declaring prior to the vote on the motion to adopt the entire Consent Calendar. Items excluded from the Consent Calendar will be taken up by the Commission following the action on the Consent Calendar. The Commission first will take up the items for which public speaker requests have been submitted. Public speakers shall follow the rules as set forth under Oral Communication.

Old Business items have appeared on previous agendas but have either been continued or tabled to this meeting with no final action having been taken. Public comment shall follow the rules as set forth under Oral Communication.

Items in New Business are items which are appearing for the first time for formal action. Public comment shall follow the rules as set forth under Oral Communication.

Copies of the staff reports or other written documentation relating to each item of business described above are on file in the office of the City Manager, and available upon request by emailing BSaleaumua@malibucity.org.

The City Hall phone number is (310) 456-2489. Malibu Arts Commission Agenda Report

Malibu Arts Commission
Regular Meeting
02-28-23

**Item
5.A.**

To: Chair Cherin and Members of the Arts Commission

Prepared by: Kristin Riesgo, Acting Community Services Director

Date prepared: February 22, 2023 Meeting date: February 28, 2023

Subject: Malibu Arts Budget

RECOMMENDED ACTION: 1) Review the Proposed Malibu Arts Budget for Fiscal Year 2023-2024; and 2) Provide feedback to staff.

DISCUSSION: The City's Annual Budget covers the period of July 1 to June 30 and serves as a financial guide in providing services to the community based on the City Council's Annual Work Plan. The operating budget is organized by department, then by program, including narratives to explain the program's detail, purpose, and goals for the next year.

The Malibu Arts Budget (Arts Budget) includes funding for the Poet Laureate program, Art Exhibitions, and Arts in Education (Attachment 1). The Arts Budget is funded from the General Fund Undesignated Reserve, which are funds used to account for all assets and liabilities not funded through Revenue, County, State, or Grant funds.

The Proposed Arts Budget for Fiscal Year 2023-2024 (Attachment 2) includes art events, programs, and exhibitions. Additional expenses include requests by the Poet Laureate Committee, expansion of art exhibitions, and a general increase in operating and contractor costs. The Malibu Arts budget is separated into several categories based on the type of expense.

Salaries & Benefits

Expenditures are related to City personnel, including salaries, benefits, and full and part-time compensation. The amount of funding allocated to full-time staff in the Arts Budget is based on the estimated percentage of time spent by staff on arts-related programs.

Contract Personnel

Expenditures for services performed by personnel from temporary agencies or through a limited contract with the City. These include instructors, performers, vendors, caterers, and other contractors. All contract personnel costs related to the Arts in Education program are included in this section and the Malibu Poet Laureate annual stipend. The Malibu Poet Laureate Committee is requesting an increase in instructor stipends and an editor for the

annual Student Poetry and Art Anthology. The budget also includes funding for musicians to perform at six art exhibitions. A decrease of \$8,000 includes completing poetry broadsides and removing audio/visual technicians in contract personnel.

Current Budget: \$38,000

Proposed Budget FY 23-24: \$30,000

Travel & Training

Expenditures associated with the professional development of staff and Commissioners, such as conferences, meetings, and trainings. Related costs include training registration, transportation, and lodging.

Current Budget: \$1,000

Proposed Budget FY 23-24: \$1,000

Dues & Memberships

Expenditures associated with professional memberships or licensing rights. The City purchases rights for public performance licensing to preview films legally. The licensing satisfies federal copyright requirements.

Current Budget: \$1,000

Proposed Budget FY 23-24: \$1,000

Advertising & Noticing

Expenditures associated with arts programming and events related to advertising and noticing. These include newspaper and virtual advertisements, banners, signs, and other marketing materials. This section also includes funding for printing the annual Student Poetry Anthology.

Current Budget: \$12,000

Proposed Budget FY 23-24: \$12,000

Operating Supplies

Expenses related to general operations of programs and events, including refreshments, paper supplies, installation hardware, and other basic supplies. The Poet Laureate Committee requested the installation of poetry displays for the Verse About Town program. Additions include quarterly poetry readings, expansion from four budgeted art exhibitions to six, and increases related to goods for all art events.

Current Budget: \$21,700

Proposed Budget FY 23-24: \$30,000

Revenues are included in the Annual Budget; however, the Arts Budget does not generate revenues, as participants and artists are not charged a fee to attend or participate in programs and events.

MALIBU ARTS

The Community Services Department works with the Malibu Arts Commission to coordinate and produce several art-related programs and projects within the Malibu community.

The Arts in Education program benefits local schools and features various speakers from different artistic backgrounds and art workshops for children across all grade levels. The program has provided students with insight into potential careers and creative expression they may not have otherwise received through existing school programs.

The Malibu Poet Laureate program remains strong and continues to expand. The City appointed its fourth Poet Laureate, Ann Buxie, who will serve a two-year term through October 2023. The Poet Laureate works with members of the Poetry Laureate Committee to conduct poetry programs, writing workshops, and open-mic events for adults. The Poet Laureate plans to curate a Community Anthology and select poetry stones for Legacy Park at the conclusion of her term. Former Malibu Poet Laureate Ricardo Means Ybarra continues to engage with student poets through the Arts in Education program, and the City will once again publish the Annual Student Poetry and Art Anthology in Fiscal Year 2022-2023. The Poet Laureate Committee also collaborates with community partners such as the Malibu Library and Pepperdine University to promote literary arts. Staff is currently evaluating options and opportunities to address expanded investments in the Arts.

Art Exhibitions have included acclaimed artists in addition to displaying community artists in the Malibu City Gallery located at City Hall. The Arts Commission is working toward exhibiting exclusive works by world-renowned artists in Fiscal Year 2022-2023.

Arts programs and events resumed during Fiscal Year 2021-2022 following the COVID-19 Pandemic. Many arts programs and events are expected to fully resume as COVID-19 restrictions are eased during Fiscal Year 2022-2023. As in 2021-22, a portion of the Recreation Coordinator will be funded by the American Rescue Plan Act (ARPA).

Malibu Arts Commission Agenda Report

Malibu Arts Commission
Regular Meeting
02-28-23

**Item
5.B.**

To: Chair Cherin and Members of the Malibu Arts Commission

Prepared by: Kristin Riesgo, Acting Community Services Director

Date prepared: February 23, 2023 Meeting date: February 28, 2023

Subject: Malibu Arts Center Survey Results

RECOMMENDED ACTION: 1) Review and discuss the results of the Malibu Arts Center Survey; and 2) Provide a recommendation regarding the Malibu Arts Center for City Council consideration.

DISCUSSION: The Commission was given an assignment by the City Council to explore the potential for a performing arts center in Malibu. The Commission discussed several options for the Malibu Arts Center at the Regular meetings on February 22, 2022, March 22, 2022, May 24, 2022, August 23, 2022, September 27, 2022, and October 25, 2022, and November 22, 2022, in addition to the Special Meeting on March 10, 2022.

On November 22, 2022, the Commission approved the draft survey questions and requested staff work with Chair Cherin and Commissioner Holland to finalize it before distribution. The Malibu Arts Center Survey (Survey) was released to gauge the community's interest and preferred art-related amenities.

On December 22, 2022, the Survey was released to the public and was publicized on the City's social media platforms, and notifications were sent through the City's email database and added to the City Manager's bi-weekly community message. The Survey closed on February 6, 2023, and yielded 512 responses, including 441 responses from residents of Malibu. Key information from the Survey included:

- 95% of respondents want an Arts Center in Malibu
- 407 respondents requested a theater/auditorium to be incorporated into the Malibu Arts Center
- The highest number of exhibitions people would attend include film screenings, art exhibitions, live theater shows, and local music events

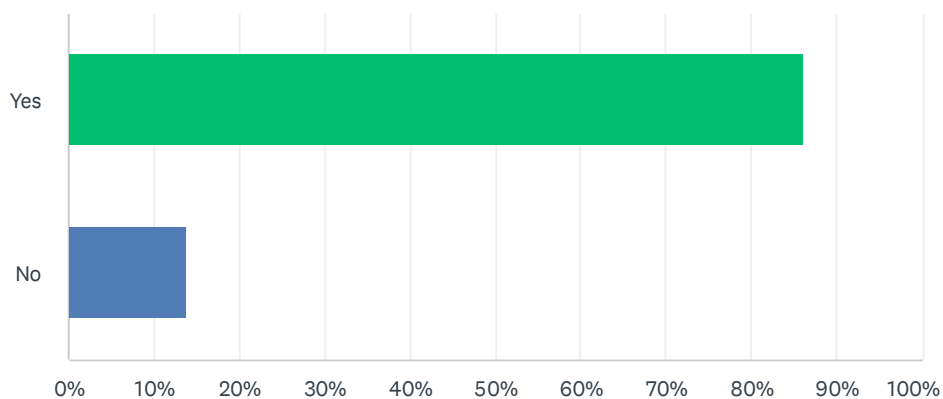

- 341 respondents stated a combination of private individuals and the City of Malibu should pay for the Malibu Arts Center

The Commission may discuss the results of the Survey (Attachment) and provide a recommendation for City Council consideration.

27	Be wonderful to have another GREAT Music / Theatre to attend in Malibu...with technology today...it will be the state of the art with the greatest sound and stage in LA!!!	1/31/2023 12:35 PM
28	May I suggest reviewing other City and how they manage, get grants and sponsors, and integrate all the creative arts embracing the character of the City. WE can look at Laguna Beach, or Carmel or Catalina Island, for the visual arts, and maybe Getty for the theater arts. We need this to become a Malibu destination. We need world class events, and art competition events with big money rewards and classy prizes. The visual statement or architecture should be designed by a Los Angeles designer, to reflect the ocean environment, and could be the first competition for the Malibu Art Center.	1/29/2023 5:59 PM
29	I'm not entirely sure who should run this but Malibu definitely needs something. We have to travel so far out of our city to theaters and shows and classes. We don't even have a movie theater in Malibu. How is that possible. This is a creative community. We should definitely have a place for artists and creatives. If you offer great classes for people, maybe that would help to fund center.	1/29/2023 12:08 AM
30	What's happening with The Malibu Playhouse?	1/26/2023 2:13 PM

32	Bring movies back to Malibu - find a venue that will allow Malibu Film Society to screen movies please.	1/25/2023 5:53 PM
33	We have amazing members of the community who work in the arts. What can we do to engage them? Consider a Makerspace (expand beyond painting/drawing)	1/23/2023 9:39 PM
34	I'd love a film theater and live theater	1/23/2023 5:04 PM
35	Very limited survey..limited results will result. Malibu has a billion dollar Pepperdine campus with many theaters and galleries. We should take advantage of those and perhaps have a cost sharing agreement of some sort. Outside groups can pay use fees. We will never come close to what they have.	1/22/2023 5:07 PM
36	We desperately need an Arts Center in Malibu!! I'm tired of always driving into town for cultural events.	1/22/2023 9:10 AM
37	In addition to providing commentary about the larger culture, art makes life more manageable, tolerable and enjoyable. One may not think about more utilitarian items and places as "art," but they do contribute to one's aesthetic experience as well as a closer more proud Malibu community. Remove any element founded in creativity, art and design, and all that remains are piles of materials that require human imagination and visual thinking. Art forces humans to look beyond that which is necessary to survive and leads people to create for the sake of expression and meaning. It is the cultural arts that will further elevate Malibu, our city onto the international stage. A Malibu Arts Center will represent an extension of the classroom and can be utilized and appreciated by the entire community as the arts are necessary to give meaning to things. The focus on Science, Technology, Engineering and Math (STEM) is one of the current buzzworthy initiatives in academia. The acronym can easily be transformed into STEAM by the inclusion of art into the formula. Leaders of Malibu can better reveal the community's enlighten status by making Art through the center the focus of our community and bring about this vital change. The exclusion of the arts is a disservice to the entire community of Malibu. A popular bumper sticker asserts that "Earth" without "art" is just "Eh," a desolate and meaningless place. Let's not let the value of art be lost here in Malibu! We can do better. We must. Art is the key to open Malibu citizens' hearts and creative potential in both their personal lives as well as their vigorous community engaging fulfillment.	1/22/2023 12:39 AM
38	The group that does ultimately run it needs to be comprised of stakeholders from all areas i.e. elementary, middle, high school, and university, gallery owners, artists, musicians, etc.	1/21/2023 5:31 PM

39	I was born and raised in Malibu long before it became a city. To see our Sheriff office, Courthouses, Movie theater turned in to more stores, and many other things this city needs taken away and Many years later Nothing is funded or brought back but much money poured in to a weed park that has no usefull characteristics is really really sad. PLEASE think about the Real full time residents instead of tourists and bring some Local Needs Back! We need a local SHERRIF station also. Let's DO IT NOT SIT ON IT. Thank you 🙏	1/21/2023 2:57 PM
40	Get it done! It's absurd that Malibu has no theater or art showcase facility yet it is home to some of the biggest artists in the world. We have to drive to see culture. Really????	1/21/2023 8:26 AM
41	no	1/20/2023 8:54 PM
42	I believe such a facility will be a cultural enhancement	1/20/2023 8:51 PM
43	A low-key space with minimal impact on the environment and traffic pattern seems like a very good idea for the, if it can be compelling and well-attended. Together with what Pepperdine offers, there could be an appealing range of activities.	1/20/2023 4:23 PM
44	there should be convenient, ample, free parking that is lighted	1/20/2023 2:39 PM
45	I have been looking forward to art center for many years. We are a community with so much talent! We should be able to see movies (no theatre for so many years) like the the "Malibu film Society" that has "Q & A following films with guests.	1/20/2023 2:15 PM
46	I spend a lot of time in Malibu and think an Arts Center would be a vital addition to the community. It needs to have screening capabilities with reception space since we no longer have a movie theater. Indoor / Outdoor Options for reception space at least is vital now that we live in a pandemic aware world. It gives flexibility. It could be a great money maker for the community as well if it is rented out for private events.	1/20/2023 1:51 PM
47	I am concerned about an arts center using up land....I do not want buildings on every green space in Malibu! And certainly not on the Heathercliff/pch piece of land!!!! Animals live here too, that's why a lot of us like living here. But it seems to me, since over by city hall is already so built up, that would be the best place for an arts building to be placed	1/20/2023 1:19 PM
48	The parking lot should be available for car shows.	1/20/2023 12:59 PM
49	The community has shown interest in gathering for movie screenings in Malibu, there needs to be a facility to foster that desire to congregate. Bring Malibu Film Society back to MALIBU!!!!	1/20/2023 12:53 PM
50	Yes. Malibu has world class visual artists as well as musicians and actors. We are a sophisticated town. To create an art gallery that exhibits the work of famous visual artists as well as emerging artists from the greater L.A. area would be highly desirable. Prioritizing excellence and the tone of Malibu will fill a gap that is a bump up from open calls for local artists and the commercial galleries in Malibu who cater to popular tastes. That niche is very important but to bring in a level of art that would be considered a bit more sophisticated would be really interesting to Malibu residents. Pepperdine does a pretty good job with this but its audience is primarily the Pepperdine community and locals who are looking for art on a deeper level. Let me say one more thing. There is a community called Vintage Malibu that is strong, thriving, and poised for a great future. But they need a Sunday home. This Sunday rental could be very lucrative for the Malibu Art Center. Thank you. -Wendy Widell Wolff 310-567-5624	1/20/2023 12:26 PM
51	I believe very strongly Malibu needs an arts center. It is sad and disappointing there is no longer even a movie theater in this creative community, which should promote film, art, music and performance.	1/20/2023 12:25 PM

54	Malibu is a small family community.Many of us are attracted to Malibu that are artists in some way or another or have family in the industry. We need the support to help nourish a healthy community and social life. To help us all to grow and expand at All age groups. Trust me, our community has been silently or not silently been crying out for this support system. Malibu is not just a wonderful small town, We are family. That was proven by the help we gave one another during the fire. Please don't miss the opportunity to brighten our community pathways to each other.	1/20/2023 11:43 AM

56	It is the epitome of irony that a community with more esteemed members of the arts than anywhere on the planet has neither a movie theatre, live theatre, music venue or art space. Malibu is renown for its connection to the best and brightest in the world of the arts and must reflect that reputation in the real world culture of our community.	1/20/2023 11:42 AM
57	Not being a permanent resident I know there will be many difficulties but I would think this project would benefit Malibu in many ways	1/20/2023 11:13 AM
58	This has been an issue under discussion for years. I would like to see the City Council create a council subcommittee to look at this issue realistically and either put it to rest or come forward with a plan that the whole council could discuss and finally vote on. I personally feel that a physical arts center is more important than acquiring another tract of land like the Edge property.	1/20/2023 11:05 AM
59	I used to live in Malibu and might move back. Having a venue such as this would be wonderful!	1/20/2023 10:54 AM
60	It; about time!	1/20/2023 10:45 AM
61	I think commercial rentals are important but the center should not end up being for rental use only! What about purchasing the playhouse that already exists? Instead of creating from afresh.	1/20/2023 10:44 AM
62	Maybe give the residents of Malibu a nice discount, but consider a smaller, but substantial discount to your fellow neighbor cities of Westlake Village, Agoura Hills and Calabasas. I believe there is a total market for this.	1/20/2023 10:43 AM

to build an arts concert arena for 5,000. You can show your films there and put on your Andy Hardy shows, dance recitals and concerts... Our community needs a community swimming pool and west end library cultural senior center, park and gardens. Thank you.

80	I'm concerned about surrounding cities, ignoring the homeless and ruining the bathrooms at Zuma Beach. If you can't make an art center at least decorate the retaining walls and all the parking lot at the beaches. There are so many more creative ideas. The wealthy people can donate to, but you're not reaching out to them and they're just gonna keep getting richer and flying to private jets. Those big ticket millionaires need to have nursing schools in Malibu and technology programs you're really missing opportunities for thousand oaks residents Mid thirties who need more opportunities. Need more income	1/10/2023 12:21 PM
81	For quality programming at such a center, you need to have the backing of city governance and the stability of proper salaries and benefits -- unless there is a donor willing to endow the center and its programming with significant, long-term support. As the director of the Weisman Museum at Pepperdine, I would be happy to contribute my expertise to these efforts.	1/10/2023 10:44 AM
82	Malibu kids need this very badly. As a community they need somewhere to gather and get involved with the arts - sadly public school has huge funding issues in the arts and this would be an opportunity to provide a permanent space for kids to interact in a healthy and mind expanding way. The community needs a theatre it's a basic need that every town should have !	1/10/2023 10:32 AM
83	Participation by local citizens concerns me. That's why the Heathercliff location would be ideal. Locals hate to drive. They're also cheap. They'd rather write a big check than pay a cover charge.	1/10/2023 9:07 AM
84	Thank you SOOO MUCH for spearheading this dream project! Malibu has been in dire need of an Arts Center for a very long time and I really hope we can get the support needed to develop something great! I would love to be a part of the process if help is needed. ~Angela Gacad 310.430.4462	1/9/2023 6:44 PM
85	Dance is important unifier of the community and there is no such thing for those of us who love it!! We need studio space with flooring and mirrors to be able to hold classes for the community of all ages! Good for the brain, body & soul. We can manage and operate it with the help of the City and or Malibú Arts committee. Should be subsidized to help make this happen.	1/9/2023 5:13 PM
86	In terms of location preferences, that question would require site evaluations, capacity, actual location, parking, impacts to traffic, impacts to wildlife, sound and building impact to neighborhood etc . So that questions is loaded. Malibu is an artistic community and would greatly benefit full time residents as well as visitors. I noticed that none of the suggested locations involved ocean views or the beauty of the building which I feel could also be a draw to visitors and locals. eg. The Sydney Opera House. If you are going to do it, let's leap into the future instead of building the same old structure to house multiple ideas. Build it and they will come.	1/9/2023 2:47 PM
87	MALIBU NEEDS THIS. IT WOULD DRAW FROM ALL OVER THE AREA.	1/9/2023 2:44 PM

98	Malibu is a wealthy city, with so many residents in the entertainment business and talented in the arts, so it seems like a no-brainer that Malibu should have a world-class arts center for film screenings and musical and theater performances. It is a shame that we haven't had one for so long. This space should be designed in such a way that events can easily accommodate video and audio crews for capture and/or live-streaming. Build it and they will come.	1/6/2023 5:05 PM

115	Art center needs to be a place to bring the community together. Involving kids and parents is a great start. Including and showcasing school students talents.	1/4/2023 9:44 PM
116	Using existing resources is the only way to go. With the new SMC campus taking over a huge portion of Malibu we are already going to see massive influxes of even more traffic and people as well as less open land. We do NOT need any more large buildings	1/4/2023 9:38 PM

Why is such a rich city with a small resident population unable to support artists that live and work here ? I have lived in Malibu for almost 24 years and would like to see more support for visual artists who live here full time .	1/4/2023 8:58 AM

169	malibu is sorely lacking in a city-wide arts effort...odd for such an arts-centric community....i dont believe the citizens will agree to fund this venture with tax increasers, so i think a public/private partnership between the city and other outside entities is necessary...i believe that' if we build it, they will come'...	1/3/2023 8:14 PM

171	This is a long time coming.	1/3/2023 7:31 PM
172	I do not think the government should be choosing winners and losers with regard to art. We already have art classes at the Michael Landon center on Bluffs Park which is plenty. We have the wealthiest art institute in the world in Los Angeles, the Getty Trust. That art institute is also privately funded which is the only way art should be funded.	1/3/2023 7:24 PM

178	I don't want any new large construction in Malibu - it would be best to repurpose the theatre we had at city hall and upgrade this.	1/3/2023 6:43 PM
179	This would be an asset to our community. We have no theatre or movie venue and we are Malibu!	1/3/2023 6:38 PM
180	Would love to see musical theatre in town available for all ages to perform in. Children to adults.	1/3/2023 6:37 PM
181	An Arts Center would be a benefit to Malibu and encourage creative arts and artists to flourish in this city	1/3/2023 6:37 PM
182	This is a start. Mission statement?	1/3/2023 6:37 PM
183	If you end up pursuing, and have a plan, I know somebody who may want to support financially. Happy to discuss. Rory 646-872-7224	1/3/2023 6:35 PM

186	We need this!	1/3/2023 6:21 PM
187	We need parks, not a performing arts center. Our city government is too incompetent to build and maintain a facility of the type proposed and our population is too small to warrant the expense.	12/29/2022 3:31 PM
188	Always concerned about adding more traffic and people in Malibu when we have basically one road in and out. There are venues if people would want to use them, ie city hall which was an arts center	12/27/2022 3:44 PM
189	We need a tap dancing room with good floor and mirrors. Since our last 2 senior rooms have been taken away, and we are not allowed to use the "new" floor at the bluffs. I want to teach exercise dancing for seniors but they wont give me a room because there arent any rooms for us.	12/23/2022 8:05 AM
190	Need not be too big. Primarily for Malibu residents	12/23/2022 1:31 AM
191	Use existing facilities, the schools, churches, city hall, etc.	12/22/2022 10:49 PM
192	Many have tried to figure this out for many years. You need to build a consensus of residents to pull this off in my opinion. So take the time to get as many backers as possible to convince the City Council to use city land for this purpose. I hope this happens!!!!	12/22/2022 8:22 PM
193	DO NOT put this at Heathercliff!	12/22/2022 7:19 PM
