Wednesday, May 27, 2026	3:30 p.m. Regular Commission Meeting City Hall Multipurpose Room
Wednesday, June 24, 2026	3:30 p.m. Regular Commission Meeting City Hall Multipurpose Room

Guide to the City Commission Proceedings

The Oral Communication portion of the agenda is for members of the public to present items which are not listed on the agenda but are under the subject matter jurisdiction of the Commission. Although no action may be taken, the Commission and staff will follow up, at an appropriate time, on those items needing response. Each speaker is limited to (3) three minutes. Time may be surrendered by deferring (1) one minute to another speaker, not to exceed a total of (8) eight minutes. The speaker wishing to defer time must be present when the item is heard. In order to be recognized and present an item, each speaker must complete and submit to the Recording Secretary a Request to Speak form prior to the beginning of the item being announced by the Chair (forms are available at the entrance to the meeting room). Speakers are taken in the order slips are submitted.

Items in Consent Calendar Section A have already been considered by the Commission at a previous meeting where the public was invited to comment, after which a decision was made. These items are not subject to public discussion at this meeting because the vote taken at the previous meeting was final. Resolutions concerning decisions made at previous meetings are for the purpose of memorializing the decision to assure the accuracy of the findings, the prior vote, and any conditions imposed.

Items in Consent Calendar Section B have not been discussed previously by the Commission. If discussion is desired, an item may be removed from the Consent Calendar for individual consideration. Commissioners may indicate a negative or abstaining vote on any individual item by so declaring prior to the vote on the motion to adopt the entire Consent Calendar. Items excluded from the Consent Calendar will be taken up by the Commission following the action on the Consent Calendar. The Commission first will take up the items for which public speaker requests have been submitted. Public speakers shall follow the rules as set forth under Oral Communication.

Old Business items have appeared on previous agendas but have either been continued or tabled to this meeting with no final action having been taken. Public comment shall follow the rules as set forth under Oral Communication.

Items in New Business are items which are appearing for the first time for formal action. Public comment shall follow the rules as set forth under Oral Communication.

Copies of the staff reports or other written documentation relating to each item of business described above are on file in the Public Works Department, Malibu City Hall, 23825 Stuart Ranch Road, Malibu, California and are available for public inspection during regular office hours which are 7:30 a.m. to 5:30 p.m., Monday through Thursday, and 7:30 a.m. to 4:30 p.m., Friday. Written materials distributed to the Commission within 72 hours of the Commission meeting are available for public inspection immediately upon distribution (Government Code Section 54957.5(b)(2). Copies of staff reports and written materials may be purchased for $0.10 per page. Pursuant to State law, this agenda was posted at least 72 hours prior to the meeting.

The City Hall phone number is (310) 456-2489. To contact City Hall using a telecommunication device for the deaf (TDD), please call (800) 735-2929 and a California Relay Service operator will assist you. In compliance with the Americans with Disabilities Act, if you need special assistance to participate in this meeting, please contact Environmental Sustainability Director Yolanda Bundy, (310) 456-2489, ext. 229. Notification 48 hours prior to the meeting will enable the City to make reasonable arrangements to ensure accessibility to this meeting. [28 CFR 35.102-35.104 ADD Title II].

Requests for use of audio or video equipment during a Commission meeting should be directed to the Media Team at (310) 456-2489, ext. 227, or media@malibucity.org. Materials must be submitted by 12:00 p.m. on the day of the meeting.

I hereby certify under penalty of perjury, under the laws of the State of California, that the foregoing agenda was posted in accordance with the applicable legal requirements. Dated this 20th day of March 2026.

Public Works Commission Agenda Report

Public Works Commission Meeting 03-25-26

Item 4.A.

To: Chair Keegan and Members of the Public Works Commission

Prepared by: Julie Santia, Associate Engineer

Approved by: Tatiana Holden, Interim Public Works Director/City Engineer

Date prepared: March 18, 2026 Meeting date: March 25, 2026

Subject: Westward Beach Road Embankment Repairs Project Status Update

---

RECOMMENDED ACTION: Receive an update on Westward Beach Road Embankment Repairs Project.

DISCUSSION: This project includes the installation of rock rip rap protection of the embankment, a 24-inch stormwater pipeline to collect stormwater from the roadway, and shoulder/curb repairs to the roadway. The bank of Zuma Creek also serves as the road embankment for Westward Beach Road. The roadway shoulder sustained damage from the storms in 2019 following the Woolsey Fire. The intent of this project is to repair the damage and reinforce the embankment to minimize erosion during future large storm events.

Funding for this project is through CDAA 2018-09 and funded by CalOES. The City has obtained regulatory approval from the Regional Water Quality Control Board (RWQCB), U.S. Army Corps of Engineers (USACE), and the California Department of Fish and Wildlife (CDFW) and a Coastal Development Permit (CDP 22-069) was approved on April 21, 2025 by the City.

Staff is currently exploring an amendment to the CDP that allows Los Angeles County Department of Beaches and Harbors to perform a mitigation effort in lieu of the contractor performing the required mitigation or a portion thereof. This effort promotes goodwill and cooperation with Los Angeles County Beaches and Harbors and may also result in cost savings.

This project is currently in the bidding phase with bids due April 2, 2026, with award of the construction contract tentatively scheduled for City Council approval on April 27, 2026.

Item 4.B.

Public Works Commission Agenda Report

To: Chair Keegan and Members of the Public Works Commission

Prepared by: Jorge Rubalcava, Senior Civil Engineer

Approved by: Tatiana Holden, Interim Public Works Director/City Engineer

Date prepared: March 18, 2026 Meeting date: March 25, 2026

Subject: Pacific Coast Highway Right Turn Improvements at Trancas Canyon Road Project Update

---

RECOMMENDED ACTION: Receive an update on Pacific Coast Highway (PCH) Right Turn Improvements at Trancas Canyon Road Project Update

DISCUSSION: The project objective is to improve safety and operations on PCH by adding a new dedicated westbound right-turn lane on PCH. The project will also include reconfiguring and restriping the westbound travel lanes on PCH and traffic signal modifications to accommodate the proposed right-hand lane. The proposed right turn lane has been coordinated with Caltrans' Trancas Bridge Replacement Project. The new right-hand lane will reduce traffic conflicts and collision incidents and will provide a safer environment for vehicles and pedestrians.

The funds identified for this project were Los Angeles County Metropolitan (Metro) Measure R Transportation Funds. There are sufficient funds available for this additional work.

The design phase of this project has been completed, and staff is working with Caltrans to obtain an encroachment permit in order to perform with on PCH. It is estimated that Caltrans will provide the City with an approved permit. The next steps will be to complete the bid package for public bidding and release the project for bidding. Construction is anticipated in Summer/Fall.
