Guide to the City Commission Proceedings

As a result of the Coronavirus (COVID-19) pandemic, the City is under a state of local emergency, as well as states of emergency that have been declared in the County of Los Angeles, state of California, and a federal emergency declared by the President of the United States. At the direction of the Governor, starting March 19, 2020, the entire state is subject to stay-at-home orders. These measures are imposed to reduce the risk of spreading COVID-19. To comply with these emergency measures, the Commission meeting will be open and public but conducted via teleconference only. This way the public, the staff, and the Commission will not be physically in the same place.

The Oral Communication portion of the agenda is for members of the public to present items, which are not listed on the agenda but are under the subject matter jurisdiction of the Commission. Although no action may be taken, the Commission and staff will follow up, at an appropriate time, on those items needing response. Each speaker is limited to (3) three minutes. Members of the public wishing to speak during the meeting must participate through the Zoom application. You must first sign up to speak before the item you would like to speak on has been called by the Chair and then you must be present in the Zoom conference to be recognized. Please visit <https://malibucity.org/VirtualMeeting> and follow the directions for signing up to speak and downloading the Zoom application.

Items in Consent Calendar Section A have already been considered by the Commission at a previous meeting where the public was invited to comment, after which a decision was made. These items are not subject to public discussion at this meeting because the vote taken at the previous meeting was final. Resolutions concerning decisions made at previous meetings are for the purpose of memorializing the decision to assure the accuracy of the findings, the prior vote, and any conditions imposed.

Items in Consent Calendar Section B have not been discussed previously by the Commission. If discussion is desired, an item may be removed from the Consent Calendar for individual consideration. Commissioners may indicate a negative or abstaining vote on any individual item by so declaring prior to the vote on the motion to adopt the entire Consent Calendar. Items excluded from the Consent Calendar will be taken up by the Commission following the action on the Consent Calendar. The Commission first will take up the items for which public speaker requests have been submitted. Public speakers shall follow the rules as set forth under Oral Communication.

Old Business items have appeared on previous agendas but have either been continued or tabled to this meeting with no final action having been taken. Public comment shall follow the rules as set forth under Oral Communication.

Items in New Business are items which are appearing for the first time for formal action. Public comment shall follow the rules as set forth under Oral Communication.

Copies of the staff reports or other written documentation relating to each item of business described above are on file in the Community Services Department, and available upon request by emailing kgallo@malibucity.org.

Subject: Petition to Form an Independent Malibu Unified School District

RECOMMENDED ACTION: Receive an update on the City of Malibu's petition to form an independent Malibu Unified School District and direct the Chair to submit written and oral communication in support of the City's petition.

DISCUSSION: Youth and children in Malibu and the surrounding unincorporated area have attended schools within the Santa Monica-Malibu Unified School District (SMMUSD) prior to the City's incorporation in 1991. Local school families and community groups have long expressed the desire to separate from SMMUSD to form a separate Malibu Unified School District (MUSD).

Among the reasons for separation expressed by Malibu families is the physical distance between Malibu and Santa Monica, the distinct character of these communities, inadequate representation of Malibu on the SMMUSD Board of Education, and the need for local control over the education of Malibu's children.

In 2011, Malibu families formed the Advocates for Malibu Public Schools (AMPS), devoted to the mission of creating an independent Malibu Unified School District dedicated to excellence in education for the Malibu community. AMPS commissioned studies to examine the feasibility of school district reorganization and collected thousands of signatures in support of separation.

In response to the community's effort to advance separation, the City Council adopted Resolution 15-60 (Attachment 1), authorizing the transmission of a petition for unification of the MUSD to the Los Angeles County Superintendent of Schools.

In 2015, the Malibu Unification Negotiations Committee (MUNC) was formed with three members appointed to represent the interests of the Malibu school community and three members appointed to represent the interests of the Santa Monica school community. MUNC met for two years to develop financial terms for the separation of SMMUSD and the formation of two distinct districts. MUNC's recommendations were presented to the City Council and SMMUSD Board.

In September 2017, the Malibu City Council formed the School District Separation Ad Hoc Committee. In April 2018, Council asked the Los Angeles County Committee on School Separation to accept and temporarily suspend the City's petition pending negotiations with SMMUSD regarding separation. The Council directed the City Manager and City Attorney to pursue negotiations with SMMUSD representatives to reach a mutual separation agreement and financial plan for both proposed districts under the guidance of the City Council's School District Separation Ad Hoc Committee.

On October 12, 2020, the Ad Hoc Committee members reported that the negotiations had stalled, and in response, the Council voted unanimously to reinstate the City's petition for unification with the LACOE Committee on School District Organization (County Committee).

The County Committee has scheduled the Preliminary Hearing on the City's petition for Saturday, April 17, 2021, at 9:30 a.m. Deputy City Attorney Christine Wood will present an update on the status of the City's petition and the April 17 Preliminary Hearing and answer questions.

Staff recommends that the Commission direct the Chair to submit written and oral communication in support of the City's petition.

RESOLUTION NO. 15-60

A RESOLUTION OF THE CITY COUNCIL OF THE CITY OF MALIBU
AUTHORIZING TRANSMISSION OF THE PETITION FOR UNIFICATION OF
A MALIBU UNIFIED SCHOOL DISTRICT TO THE LOS ANGELES COUNTY
SUPERINTENDENT OF SCHOOLS

The City Council of the City of Malibu does hereby find, order and resolve as follows:

SECTION 1. Recitals.

A. The City of Malibu and the unincorporated area surrounding the City of Malibu (collectively, Greater Malibu), is currently within the territory of the Santa Monica Malibu Unified School District (SMMUSD).

B. Greater Malibu, and specifically the City of Malibu, has developed significantly since Greater Malibu was organized as part of SMMUSD.

C. Under current law, the organization of SMMUSD, including both Santa Monica and Greater Malibu, would not be permissible as California Education Code Section 35543, enacted in 1980, provides that “a school district shall not be formed or reorganized to include territory which is separated from other portions of the territory of the district by the territory of one or more other school districts.” Greater Malibu is separated from Santa Monica by the Los Angeles Unified School District.

D. The City of Malibu was incorporated in 1991 and Greater Malibu, despite significant population growth, strives to maintain its rural character, while Santa Monica has developed into a densely-populated, urban community. As those distinct communities have developed, children residing in Greater Malibu have, since 1992, attended public schools from kindergarten through 12th grade entirely within the City of Malibu.

E. The city centers of Malibu and Santa Monica are separated by several miles, and Santa Monica and Malibu have become distinct communities.

F. For several years, concerned residents and community groups within Greater Malibu have expressed the desire to organize a separate Malibu school district.

G. SMMUSD’s central office is located in Santa Monica, a significant distance from even the closest portions of Greater Malibu.

H. Residents of Malibu have expressed concern and frustration that they are not adequately represented by the SMMUSD governing board due to its at-large system of election, and that their concerns about the policies and practices of SMMUSD go largely unaddressed. At-large elections have been known to have this effect where there is a minority community distinct from the overall community, regardless of whether the minority community is a racial/ethnic minority, socio-economic minority, geographic minority, or any other minority community with interests distinct from those of the majority.

I. The City of Santa Monica adopted a city charter in 1947 that requires its city council and the governing board of SMMUSD to be elected at-large, and that charter provision prevents SMMUSD from adopting district-based elections.

J. The principle civic group that has advocated for the organization of a Malibu Unified School District, Advocates for Malibu Public Schools (AMPS), has worked cooperatively with SMMUSD staff to investigate the feasibility and desirability of organizing a Malibu Unified School District from the existing territory of SMMUSD, and in that effort retained the services of WestEd to prepare a report on the feasibility and desirability of the contemplated unification using data in a large part generated by SMMUSD.

K. The comprehensive report of WestEd, completed on July 16, 2015, confirms that unification of a Malibu Unified School District is both feasible and desirable.

L. The nine criteria for unification of a school district set forth in California Education Code Section 35753 are all satisfied by the contemplated organization of a Malibu Unified School District.

M. The unification of a Malibu Unified School District from the existing territory of SMMUSD will benefit all children in Santa Monica, as well as Greater Malibu, as each of the two resulting school districts will:

- Be better suited to utilize the unique resources, and address the particular needs, of their respective communities
- Have more funds for educating each student than the existing SMMUSD, pursuant to the State's school funding formulas
- Be capable of implementing the distinct educational philosophies of their respective communities
- Continue to promote sound educational performance with no disruption to educational programs
- Not result in a significant increase in school housing costs or otherwise have an adverse effect on the fiscal status of any district

N. Organization of a Malibu Unified School District enables all residents of Greater Malibu to have representation on their local school board through the adoption of by-trustee-area elections.

O. Unification of a school district may be initiated by a resolution of a city council that has jurisdiction over at least a portion of the affected area, pursuant to California Education Code Section 35721(c).

SECTION 2. The City Council does authorize transmission of the petition for unification of a Malibu Unified School District to the Los Angeles County Superintendent of Schools.

SECTION 3. The City Clerk shall certify to the passage and adoption of this resolution and enter it into the book of original resolutions.

PASSED, APPROVED, and ADOPTED this 16th day of September 2015.
