Guide to the City Commission Proceedings

The Oral Communication portion of the agenda is for members of the public to present items which are not listed on the agenda but are under the subject matter jurisdiction of the Commission. Although no action may be taken, the Commission and staff will follow up, at an appropriate time, on those items needing response. Each speaker is limited to (3) three minutes. Time may be surrendered by deferring (1) one minute to another speaker, not to exceed a total of (8) eight minutes. The speaker wishing to defer time must be present when the item is heard. In order to be recognized and present an item, each speaker must complete and submit to the Recording Secretary a Request to Speak form prior to the beginning of the item being announced by the Chair (forms are available at the entrance to the meeting room). Speakers are taken in the order slips are submitted.

Items in Consent Calendar Section A have already been considered by the Commission at a previous meeting where the public was invited to comment, after which a decision was made. These items are not subject to public discussion at this meeting because the vote taken at the previous meeting was final. Resolutions concerning decisions made at previous meetings are for the purpose of memorializing the decision to assure the accuracy of the findings, the prior vote, and any conditions imposed.

Items in Consent Calendar Section B have not been discussed previously by the Commission. If discussion is desired, an item may be removed from the Consent Calendar for individual consideration. Commissioners may indicate a negative or abstaining vote on any individual item by so declaring prior to the vote on the motion to adopt the entire Consent Calendar. Items excluded from the Consent Calendar will be taken up by the Commission following the action on the Consent Calendar. The Commission first will take up the items for which public speaker requests have been submitted. Public speakers shall follow the rules as set forth under Oral Communication.

Old Business items have appeared on previous agendas but have either been continued or tabled to this meeting with no final action having been taken. Public comment shall follow the rules as set forth under Oral Communication.

Items in New Business are items which are appearing for the first time for formal action. Public comment shall follow the rules as set forth under Oral Communication.

Copies of the staff reports or other written documentation relating to each item of business described above are on file in the Public Works Department, Malibu City Hall, 23825 Stuart Ranch Road, Malibu, California and are available for public inspection during regular office hours which are 7:30 a.m. to 5:30 p.m., Monday through Thursday, and 7:30 a.m. to 4:30 p.m., Friday. Written materials distributed to the Commission within 72 hours of the Commission meeting are available for public inspection immediately upon distribution (Government Code

Section 54957.5(b)(2). Copies of staff reports and written materials may be purchased for $0.10 per page. Pursuant to State law, this agenda was posted at least 72 hours prior to the meeting.

The City Hall phone number is (310) 456-2489. To contact City Hall using a telecommunication device for the deaf (TDD), please call (800) 735-2929 and a California Relay Service operator will assist you. Public Works Commission Agenda Report

Public Works Commission Meeting 04-22-26
Item 4.A.

To: Chair Keegan and Members of the Public Works Commission

Prepared by: Travis Hart, Deputy Public Works Director

Date prepared: April 16, 2026 Meeting date: April 22, 2026

Subject: Landslide Maintenance Assessment Districts Update

RECOMMENDED ACTION: Receive an update and file report on City's Landslide Maintenance Assessment Districts.

DISCUSSION: The City manages the maintenance and monitoring of three (3) landslide assessment districts: Big Rock, Calle Del Barco and Malibu Road. These landslide assessment districts contain various groundwater dewatering equipment, monitoring equipment, and maintenance and reporting activities that contribute to the stability of the existing landslide areas.

The City's maintenance and monitoring consultant, Yeh and Associates, recently completed the Geologist Annual Report for each landslide district and will update the Commission on the following items:

- Ongoing maintenance and monitoring activities that were included in the Fiscal Year 2024-2025 Geologist Annual Report.
- Capital Improvement projects proposed in the current fiscal year.
- Rainfall data, groundwater levels, dewatering production, and slope inclinometer interpretations from recent storm events.

The Annual Geologist Annual Reports for all three (3) landslide districts are posted and available to view on the City's website at the following link: https://www.malibucity.org/408/Assessment-Districts

ATTACHMENTS: None.
