Wednesday, August 26, 2026	3:30 p.m. Regular Commission Meeting	City Hall Multipurpose Room

Guide to the City Commission Proceedings

The Oral Communication portion of the agenda is for members of the public to present items which are not listed on the agenda but are under the subject matter jurisdiction of the Commission. Although no action may be taken, the Commission and staff will follow up, at an appropriate time, on those items needing response. Each speaker is limited to (3) three minutes. Time may be surrendered by deferring (1) one minute to another speaker, not to exceed a total of (8) eight minutes. The speaker wishing to defer time must be present when the item is heard. In order to be recognized and present an item, each speaker must complete and submit to the Recording Secretary a Request to Speak form prior to the beginning of the item being announced by the Chair (forms are available at the entrance to the meeting room). Speakers are taken in the order slips are submitted.

Items in Consent Calendar Section A have already been considered by the Commission at a previous meeting where the public was invited to comment, after which a decision was made. These items are not subject to public discussion at this meeting because the vote taken at the previous meeting was final. Resolutions concerning decisions made at previous meetings are for the purpose of memorializing the decision to assure the accuracy of the findings, the prior vote, and any conditions imposed.

Items in Consent Calendar Section B have not been discussed previously by the Commission. If discussion is desired, an item may be removed from the Consent Calendar for individual consideration. Commissioners may indicate a negative or abstaining vote on any individual item by so declaring prior to the vote on the motion to adopt the entire Consent Calendar. Items excluded from the Consent Calendar will be taken up by the Commission following the action on the Consent Calendar. The Commission first will take up the items for which public speaker requests have been submitted. Public speakers shall follow the rules as set forth under Oral Communication.

Old Business items have appeared on previous agendas but have either been continued or tabled to this meeting with no final action having been taken. Public comment shall follow the rules as set forth under Oral Communication.

Items in New Business are items which are appearing for the first time for formal action. Public comment shall follow the rules as set forth under Oral Communication.

Copies of the staff reports or other written documentation relating to each item of business described above are on file in the Public Works Department, Malibu City Hall, 23825 Stuart Ranch Road, Malibu, California and are available for public inspection during regular office hours which are 7:30 a.m. to 5:30 p.m., Monday through Thursday, and 7:30 a.m. to 4:30 p.m., Friday. Written materials distributed to the Commission within 72 hours of the Commission meeting are available for public inspection immediately upon distribution (Government Code Section 54957.5(b)(2). Copies of staff reports and written materials may be purchased for $0.10 per page. Pursuant to State law, this agenda was posted at least 72 hours prior to the meeting.

The City Hall phone number is (310) 456-2489. To contact City Hall using a telecommunication device for the deaf (TDD), please call (800) 735-2929 and a California Relay Service operator will assist you. In compliance with the Americans with Disabilities Act, if you need special assistance to participate in this meeting, please contact Environmental Sustainability Director Yolanda Bundy, (310) 456-2489, ext. 229. Notification 48 hours prior to the meeting will enable the City to make reasonable arrangements to ensure accessibility to this meeting. [28 CFR 35.102-35.104 ADD Title II].

Requests for use of audio or video equipment during a Commission meeting should be directed to the Media Team at (310) 456-2489, ext. 227, or media@malibucity.org. Materials must be submitted by 12:00 p.m. on the day of the meeting.

I hereby certify under penalty of perjury, under the laws of the State of California, that the foregoing agenda was posted in accordance with the applicable legal requirements. Dated this 21st day of May 2026.

Public Works Commission Agenda Report

Public Works Commission Meeting 05-27-26
Item 4.A.

To: Chair Keegan and Members of the Public Works Commission

Prepared by: Farah Stack, Environmental Sustainability Analyst
Lyndsey Baughman, Environmental Sustainability Analyst

Reviewed by: Tracey Rossine, Environmental Programs Manager

Approved by: Tatiana Holden, Assistant Public Works Director/City Engineer

Date prepared: May 20, 2026 Meeting date: May 27, 2026

Subject: Environmental Programs Division

RECOMMENDED ACTION: Receive and file the report introducing the Environmental Programs Division.

DISCUSSION: As of May 4, 2026, the Environmental Programs Division was transitioned to the Public Works Department under the direction of the City Manager's Office. This organizational change is intended to strengthen coordination between environmental programs, public infrastructure operations, regulatory compliance activities, and long-range sustainability initiatives.

The purpose of this report is to formally introduce the Environmental Programs Division to the Public Works Commission and to provide an overview of the Division's core functions, staffing, and ongoing program areas. The Division administers a variety of programs related to clean water compliance, stormwater management, coastal protection, sustainability initiatives, solid waste and recycling, organics diversion, water conservation, environmental reporting, and community outreach. Staff work closely with City departments, regulatory agencies, consultants, residents, local businesses, and regional partners to implement programs that support the City's environmental goals and ensure compliance with applicable state and federal regulations.
