Commissioners may indicate a negative or abstaining vote on any individual item by so declaring prior to the vote on the motion to adopt the entire Consent Calendar. The Commission first will take up the items for which public speaker requests have been submitted. Public speakers shall follow the rules as set forth under Oral Communication.

Recreation Supervisor Orosz presented the staff report.

In response to Commissioner Guldemann, Community Services Deputy Director Riesgo stated the vending machine was removed several years ago at the request of a former Councilmember due to the non-recyclable nature of drink containers dispensed from the machine.

In response to Vice Chair Skophammer, Community Services Deputy Director Riesgo stated the City storage container was on a concrete slab, but the snack shack and Malibu Little League storage containers were not on a concrete slab. Approved by: Jesse Bobbett, Community Services Director

Date prepared: September 14, 2022 Meeting date: September 20, 2022

Subject: Jake Kuredjian Citizenship Award

---

**RECOMMENDED ACTION:** Approve a recommendation nominating Aspects Surf Academy and Judy Villablanca as the recipients of the 2022 Jake Kuredjian Citizenship Award for City Council consideration.

**DISCUSSION:** At the August 16, 2022 Regular meeting, the Commission reviewed the nomination process and potential nominees for the 2022 Jake Kuredjian Citizenship Award. By consensus, the Commission chose not to open the public nomination process and selected Aspects Surf Academy and Judy Villablanca as the 2022 recipients.

Ms. Villablanca served on the Parks and Recreation Commission for five years and was instrumental in the development of several Parks and Recreation projects and programs, including the Temporary and Permanent Skate Parks, the Earth Friendly Management Policy, and restoring native habitats at City parks.

Subject: Malibu Bluffs Park Storage Containers

---

**RECOMMENDED ACTION:** Review and provide feedback to staff regarding the storage containers at Malibu Bluffs Park.

**DISCUSSION:** At the May 17, 2022 Regular meeting, the Commission requested information regarding three storage containers (Containers) located adjacent to the ballfields at Malibu Bluffs Park and options for relocation or removal. The Containers vary in size and are used as equipment storage for Malibu Little League (MLL) and the City (Attachment).

<b>Container</b>	<b>User</b>	<b>Size</b>
A	MLL	20' L x 8.5' W x 8.5' H
B	MLL	40' L x 8' W x 8.5' H
C	City	40' L x 8' W x 10' H

Containers A and B are used by MLL and hold various items, including a utility vehicle for field maintenance, baseball equipment, uniforms, and temporary fencing. Container C is used by the City and holds sports and special event equipment, tables, chairs, and recycling receptacles.

Staff met with MLL to evaluate the Containers and agreed that Containers A and B could be combined, allowing for the removal of Container A. Staff does not recommend removing Containers B and C as they serve an important role in the storage of equipment for both entities.
