CALL TO ORDER

Chair Frost called the meeting to order at 5:01 p.m.

ROLL CALL

The following persons were recorded in attendance by the Recording Secretary:

PRESENT: Chair Chris Frost; Vice Chair Doug Stewart; and Commissioners Keegan Gibbs, and Dale Skophammer

ABSENT: Commissioner Fred Roberts

ALSO PRESENT: Susan Dueñas, Public Safety Manager; Rob DuBoux, Public Works Director; Parker Davis, Media Technician; Brandie Ayala, Senior Administrative Assistant; Heather Glaser, City Clerk; Deputy Michael Cerveny, Los Angeles County Sheriff's Department; and Mary Linden, Executive Assistant

APPROVAL OF AGENDA

MOTION Commissioner Gibbs moved and Chair Frost seconded a motion to approve the agenda. The question was called and the motion carried 4-0, Commissioner Roberts absent.

REPORT ON POSTING OF AGENDA

Executive Assistant Linden reported that the agenda for the meeting was properly posted on August 26, 2020 and the Amended Agenda posted on August 28, 2020.

ITEM 1.A. PUBLIC COMMENTS

Tara Becerra was not present at the time of the hearing.

Joshua Spiegel thanked the Commissioners and staff for serving Malibu. He discussed an increase of transients breaking into homes on Broad Beach Road. He asked if there was a way the City could communicate information about issues like that to residents similar to how residents can share with one another through Nextdoor.

ITEM 1.B. STAFF UPDATES

Public Safety Manager Dueñas discussed a web-based virtual Emergency Operations Center (EOC) being developed for the City by Oracle. She discussed preparations made for high heat expected over the upcoming Labor Day weekend and large crowds expected at local beaches. She stated the City's communications team met today to discuss protocols and plans for the holiday weekend.

Public Works Director DuBoux discussed plans to replace a Volunteers on Patrol (VOP) car that was damaged. He stated the bailment agreement would go to the Los Angeles County Board of Supervisors in coming weeks and it would be two to six weeks to receive the new vehicle. He stated City crews were continuing to pick up trash along Pacific Coast Highway (PCH) and at beach access areas.

Fire Safety Liaison Vandermeulen stated he was still working on home assessments, and requests continued to come in. He discussed a recent meeting he and Chair Frost had regarding a volunteer firefighter brigade.

ITEM 1.C. COMMISSIONER COMMENTS

Commissioner Skophammer discussed unsafe turns at Merritt and Busch Drive. He suggested installing candlesticks. He discussed a recent accident on PCH near Corral Canyon Road and expressed concern about summer safety. He discussed issues with traffic backups on Kanan Dume Road between PCH and the valley. He stated backups could seriously impact evacuations during emergencies, possibly by more than an hour. He suggested people be directed to use Decker Canyon Road.

Commissioner Gibbs stated he would save his comments for specific agenda items.

Vice Chair Stewart congratulated Commissioner Gibbs on the birth of his child. In response to Vice Chair Stewart, Public Safety Manager Dueñas confirmed the virtual EOC was created to function outside of City Hall. She stated the system was cloud-based with capability for all staff to access it remotely.

In response to Vice Chair Stewart, Public Works Director DuBoux explained the VOP car had been considered totaled by the insurance adjuster, so the new car would be a replacement. He stated the City had three VOP vehicles.

Vice Chair Stewart commended the City for good progress on the speed humps in Point Dume. He discussed a car club gathering in Cross Creek on the past weekend. He stated the property owners did not want them there, and the Sheriff's Department was called. He thanked Fire Safety Liaison Vandermeulen for contacting his homeowners association (HOA) regarding inspections. He stated the HOA would reach out to the homeowners. He requested an update on blue Botts dots and emergency backup generators for traffic signals.

Public Works Director DuBoux stated City crews were replacing blue Botts dots after consultation with Caltrans and the Fire Department. He stated the City received the

emergency generators for the signals, and Caltrans installed the transfer switches. He stated the memorandum of understanding (MOU) between Caltrans and the City was still in process. He stated once it was executed, Caltrans would hand off the key to the transfer switch. In response to Vice Chair Stewart, Public Works Director DuBoux stated the Community Emergency Response Team (CERT) could not operate the switch until the MOU was finalized.

Vice Chair Stewart reported the City Council held the first reading for parking restrictions on PCH at Corral Canyon Road and in the Zuma area.

Chair Frost discussed parking issues on PCH at Corral Canyon Road and Zuma area. He discussed changes in traffic over the years. He stated traffic today is dangerous. He stated the Sheriff's Department is aware, but residents need to also be aware. He discussed illegal parking, including parking on sidewalks and blocking driveways. He discussed towing in the City. He agreed with Commissioner Skophammer on the issues at Merritt Drive and Busch Drive.

In response to Commissioner Skophammer, Public Works Director DuBoux confirmed there was a stop sign on Merritt Drive. Commissioner Skophammer suggested adding a stop sign on the downhill. Public Works Director DuBoux explained the warrant process required for installing stop signs. In response to Chair Frost, he stated this was not included in the current Work Plan. He stated he would review the budget for possible funding.

Commissioner Skophammer suggested also considering Heathercliff Road and Wandermere Road, as well as Cliffside Drive and Fernhill Drive. Chair Frost requested staff report back at a future meeting.

Vice Chair Stewart stated Malibu Towing was no longer the tow company used for Malibu. Chair Frost confirmed the Sheriff's Department was now contracted with Sierra Towing.

Chair Frost discussed the left turn from Kanan Dume Drive and PCH. He stated a dual left turn lane should be considered,

Safety Liaison Vandermeulen provided an updated on live fuel moisture levels. He stated it was only a few percentage points different from last year at this time. He explained the significance of keeping an eye on it. In response to Vice Chair Stewart, Fire Safety Liaison Vandermeulen stated it could possibly hit 60% sooner than last year.

ITEM 2        CONSENT CALENDAR

MOTION       Vice Chair Stewart moved and Commissioner Gibbs seconded a motion to approve the Consent Calendar. The question was called and the motion carried 4-0, Commissioner Roberts absent.

The Consent Calendar consisted of the following items:

A. Previously Discussed Items

None.

B. New Items

1. Approval of Minutes – August 5, 2020

Staff recommendation: Approve minutes of the Public Safety Commission Regular meeting of August 5, 2020.

ITEM 3 OLD BUSINESS

None.

ITEM 4 NEW BUSINESS

A. National Preparedness Month Activities

Recommended Action: Receive and file a report regarding National Preparedness Month activities in Malibu.

Public Safety Specialist Kaplan presented the report. She discussed the American Red Cross virtual presentation last night on sheltering during the pandemic. She announced a test of the City's disaster notification system would be conducted on September 4 at 4:00 p.m. She discussed the nine trainings scheduled in September. She asked the Commissioners to encourage all residents to participate.

Public Safety Manager Dueñas commended Public Safety Specialist Kaplan for her efforts related to National Preparedness Month. She stated many residents had already signed up for the events. She stated the strong interest was encouraging.

B. CERT Team Fire Season Preparedness Activities

Recommended Action: Receive and file a report regarding Community Emergency Response Team (CERT) activities to help prepare for the upcoming fire season.

Public Safety Specialist Kaplan presented the report. She introduced Richard Garvey, Malibu CERT Team. She discussed the CERT Team's efforts to ensure the emergency bins were fully stocked and in good condition. She commended the CERT Team for their dedication, especially since the beginning of the COVID-19 pandemic. She stated the Team remained focused on being prepared for a potential fire emergency. She stated bins were stocked with first aid supplies, equipment and other provisions. She stated supplies purchased by the City in the early stages of the pandemic in preparation for possible interruptions in the supply chain were now being moved to the emergency bins.

Mr. Garvey agreed with Public Safety Specialist Kaplan that monitoring the bins was an ongoing, critical process.

Commissioner Gibbs requested an update on the AM station acquisition and how the City intended to use the station for emergency communication. Mr. Garvey

stated the station would be a low power broadcast system and that the Federal Communication Commission (FCC) allowed power to be increased during an emergency. He discussed the City's AM 1620 and AM 1610 frequencies. He stated Duke's Restaurant would allow City equipment to be installed on its property.

Commissioner Gibbs discussed the need to have options for contacting sleeping residents in canyons when a fire breaks out at night. He asked if the City could send warning messages or tones over the AM radio station. He requested clarification of the FCC restrictions.

Vice Chair Stewart discussed different types of radios.

Chair Frost stated a former Emergency Preparedness Coordinator had recommended the use of weather radios. He asked if they were still a viable option.

Mr. Garvey announced that as of 2:00 p.m. today, the City's repeater on Castro Peak was running. He stated it would cover the Malibu Park, Malibu West, Point Dume, and Saddlepeak areas. In response to Chair Frost, he stated the City was not working with the repeater on Catalina Island. He stated a test of the Castro Peak repeater was conducted today. In response to Vice Chair Stewart, Mr. Garvey confirmed a test of coverage in eastern Malibu would take place tomorrow. Vice Chair Stewart suggested the test include the Big Rock area.

#### CONSENSUS

By consensus, the Commission agreed to hear Item No. 4.D. before Item No. 4.C.

D. Public Safety Agency Activity

Recommended Action: Discuss recent Public Safety Agency activities and receive and file activity reports from the County of Los Angeles Sheriff's Department, Fire Department and Lifeguard Division.

Deputy Cerveny discussed the Sheriff's Department's crime impact team's summer operations. He stated additional operations would be conducted in Malibu in the coming months.

Vice Chair Stewart stated burglaries of locked versus unlocked vehicles were higher in July and lower in August. He suggested the recently announced DUI checkpoint might be more successful if it was not publicized in advance. Deputy Cerveny stated it could help prevent some people from drinking and driving. He discussed other violations found during checkpoints.

C. Parking Citation Penalties

Recommended Action: Provide a recommendation to the City Council regarding revisions to the City's Schedule of Parking Citation Penalties.

Public Safety Manager Dueñas presented the report.

Commissioner Gibbs suggested addressing specific trouble areas in the City where violations were more prevalent.

Chair Frost stated parking in front of fire hydrants was common. He stated the fine needed to be high enough to be a deterrent. He agreed the schedule of penalties needed to be updated. He suggested increasing fines for parking in No Parking areas with tow away signs, parking in front of a hydrant, parking on sidewalks, and parking over the fogline.

Vice Chair Stewart agreed with Commissioner Gibbs. He questioned what neighboring cities charged.

Chair Frost discussed differences between Malibu and other cities, such as Calabasas or Agoura Hills. He stated Malibu was more visitor-serving.

Mark Russo, VOP, discussed the VOP monthly report of ticketing activity. He stated the report indicated the type of tickets written. He stated obeying signs and markings was the top violation with 2,830 tickets issued last month. He stated that citation was not correctable. He stated the second and third violations most often cited were both correctable. He stated 2,263 tickets were issued for expired registration tabs and 5,200 vehicles were cited for not having a license plate on the front or back of the vehicle. He stated the four highest violation, parking the wrong way, was not correctable.

Chair Frost discussed citations issued over the weekend.

Commissioner Skophammer stated Malibu Towing was no longer in Malibu. He stated the Sheriff's Department currently used Sierra Towing. He asked why the tow yard located at Malibu High School in the past was no longer used.

Ryan Embree discussed the non-display of a registration tab. He stated he believed the City received the fee charged for that citation. He suggested comparing the fee schedule with what was charged in other cities. He stated the City's fines should be similar to other cities in the Malibu-Las Virgenes Council of Governments (COG). He stated the City could add an administrative fee to the ticketing process.

Vice Chair Stewart stated the Commission's recommendation would be reviewed by the Administrative and Finance Subcommittee before going to the City Council. He agreed with a review of other cities' fines and considering an administrative fee.

**MOTION**

Chair Frost moved and Commissioner Gibbs seconded a motion to continue the item to the October 7, 2020 Regular meeting and bring back additional information regarding citation penalties in other cities. The motion carried 4-0, Commissioner Roberts absent.

Vice Chair Stewart suggested the Chair or Vice Chair gather the data for the next meeting. Chair Frost agreed to help with that research.

Commissioner Skophammer asked if there was a cost for changing the fines.

In response to Chair Frost, Mr. Russo stated many motorists were willing to pay the fine for convenient parking. He stated many asked where else they could park.

Chair Frost asked if there was a significant change over the past three years. Mr. Russo discussed increases in the number of visitors. He discussed the impact of COVID-19. He stated more people were coming to the beaches and hiking trails since other activities were closed. He stated people were parking in unfamiliar areas.

Chair Frost thanked the VOPs for continuing to do a great job for the City.

#### ADJOURNMENT

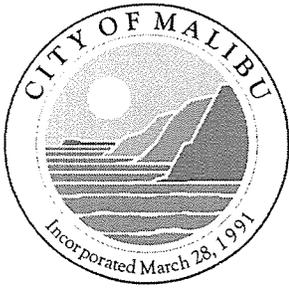

MOTION At 6:57 p.m., Commissioner Skophammer moved and Vice Chair Stewart seconded a motion to adjourn. The question was called and the motion carried unanimously.

# Public Safety Commission Agenda Report

To: Chair Frost and Members of the Public Safety Commission

Prepared by: Susan Dueñas, Public Safety Manager

Approved by: Reva Feldman, City Manager

Date prepared: September 29, 2020 Meeting date: October 7, 2020

Subject: Parking Citation Penalties (continued from September 2, 2020)

---

**RECOMMENDED ACTION:** Provide a recommendation to the City Council regarding revisions to the City's Schedule of Parking Citation Penalties.

**DISCUSSION:** At its Regular meeting on September 2, 2020, the Commission discussed the City's current parking citations and considered potential revisions for certain violations. The Commission continued the item to allow time for research into penalties imposed by other cities, particularly other member cities in the Las Virgenes-Malibu Council of Governments and other coastal cities. Chair Frost and Vice Chair Stewart volunteered to contact those cities and bring back additional data for the Commission to consider in providing a recommendation to the City Council.

The Commissioners obtained data from other similar beach communities, including the cities of Calabasas, Santa Monica, Manhattan Beach and Laguna Beach. Citation data was collected for the following infractions:

- Failure to Obey Signs
- Failure to Obey Signs
- No Parking Areas - Placement of Vehicle
- Bus Loading Zone
- Temporary No Parking
- No Parking Any Time
- Parking Wrong Side of Street
- Parking Driveway
- Parking Fire Hydrant
- Handicap Parking Street
- Handicap Parking Off Street
- Vehicles on Sidewalk
- Late Fee

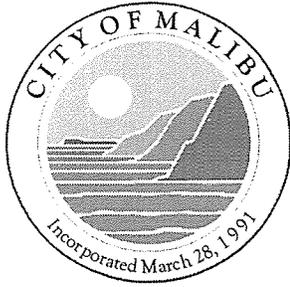

The data shows that Malibu's parking citation penalties are equal to, or greater than, all of the other cities with the exception of the City of Santa Monica, which has higher penalties for all categories reviewed. A comparison spreadsheet of current fines in Malibu and the other cities is attached for reference.

The Commission is requested to review the data and provide a recommendation to the City Council regarding revisions to the City's Schedule of Parking Citation Penalties.

# Public Safety Commission Agenda Report

To: Chair Frost and Members of the Public Safety Commission

Prepared by: Susan Dueñas, Public Safety Manager

Approved by: Reva Feldman, City Manager

Date prepared: September 25, 2020 Meeting date: October 7, 2020

Subject: Public Safety Services Annual Review

---

**RECOMMENDED ACTION:** 1) Review services provided by the County of Los Angeles Sheriff's Department, Fire Department, and Lifeguards, and Malibu Volunteers on Patrol (VOP); and 2) provide a recommendation to the City Council for service level adjustments, if appropriate.

**DISCUSSION:** The City contracts with the County of Los Angeles for law enforcement services provided by the Sheriff's Department. Fire and Lifeguard services are provided by the Los Angeles County Fire Department, although not through a contract. In 2010, the City established the Malibu VOP program, a team of civilian volunteers managed by the Sheriff's Department who assist in serving and protecting the community. The City Council directed the Public Safety Commission to conduct an annual review of these public safety services.

Representatives from each of these agencies will present brief overviews of the services provided in Malibu over the past year and answer questions regarding those services. In addition, Los Angeles County Fire Department and Lifeguards provided written summaries of services provided (Attachments 1 and 2, respectively). The Sheriff's Department's Summer Enforcement Team review will be discussed in a separate item on this meeting's agenda.

The Commission may make recommendations to the City Council regarding possible adjustments to service levels, if appropriate.

RE: ANNUAL REVIEW OF PUBLIC SAFETY SERVICES

### OVERVIEW OF LOS ANGELES COUNTY FIRE DEPARTMENT SERVICES

The City of Malibu, as part of the Consolidated Fire Protection District of Los Angeles County, receives fire protection and life safety services from the Los Angeles County Fire Department. Fees for these services are paid to the District through an assessment that appears on a property owner's property tax statement. The City does not pay our agency directly for any services provided, unless the City specifically contracts for additional services due to a special event.

All-Risk services provided by our agency include:

- Fire Protection (including prevention)
- Emergency Medical Services - Paramedics
- Public Assistance
- Urban Search and Rescue (including Canine Search Teams)
- Air and Wildland Services (helicopters, seasonal fixed wing, dozers, and camp crews)
- Hazardous Materials
- Health Hazardous Materials
- Community Outreach and Public Education

There are a total of four fire stations located within the Malibu city limits, with an additional eight fire stations in the surrounding areas of Battalion 5. On any given day, a total of 17 firefighters are on duty in the City, working 24-hour shifts. (A total of 51 firefighters are on duty each day throughout the battalion.) The battalion is overseen by a Battalion Chief, who also works a 24-hour shift.

For major incidents requiring resources beyond our battalion, we have access to all county fire resources; for more immediate response, we rely on automatic and mutual aid agreements that are in place with both the Ventura County Fire Department and the Los Angeles City Fire Department.

In addition, our Air and Wildland Division operates two Fire Suppression Camps in Malibu. Camp 8, located on Rambla Pacifico staffs paid Fire Suppression Aides, and provides helicopter coverage for the Santa Monica Mountains region daily. This water-dropping helicopter provides fire suppression and air squad capabilities and can also transport fly crews to the scene of a brush fire. Camp 13, located on Encinal Canyon, is operated in conjunction with the California Department of Corrections and is staffed by female inmates (non-violent).

During major incidents (predominantly wildland fire incidents), our department also serves as the Region 1 Coordinator of California's Master Mutual Aid Agreement (managing resources from throughout Southern California).

### **REVIEW**

### **3,005 total responses (average 250 calls per month)**

- 2,164 emergency medical calls (average 180 per month; 72% of total responses)
  - 1,248 patients transported
    - 491 ALS transports (paramedic on board)
    - 757 BLS transports
- 56 fires (significant fires outlined below; included in this total were structure fires, vehicle fires, and brush fires; remaining fires consisted of rubbish fires, cooking fires, beach fires, outside equipment fires, etc.)
- 253 good intent calls (average 21 per month)
- 458 various service calls (public assists, LG assists, snake removals, flooding, investigations, etc.)

**NOTEWORTHY INCIDENTS:**

- January 18, 2020 – Structure Fire at 20000 Pacific Coast Highway. Upon arrival, firefighters found a fire inside the structure, caused by faulty wiring. The fire was confined to the room of origin. Total damage: \$50,000
- January 29, 2020 – Structure Fire at 23831 Harbor Vista Drive. Fire ignited inside storage shed, caused by equipment stored too close to combustible materials. Total damage: \$25,000
- May 15, 2020 – Structure Fire at 22435 Pacific Coast Highway. Fire in a large single-family dwelling. Originated in the kitchen and spread through connected rooms. Total damage: \$550,000, Value Saved: \$20,450,000
- May 31, 2020 – Structure Fire at 27975 Winding Way West. Fire in a single-family dwelling, originated in kitchen due to equipment malfunction of stovetop. Total damage: \$77,000

**ITEMS OF INTEREST:**

- Battalion Chief Training Program – Division VII hosts an annual training for all LACoFD battalion chiefs. The training consists of reviewing historic fire corridor information for Battalion 5 and discussing existing pre-plans and Structure Defense Groups throughout the area. Following the classroom-style training, the chiefs go out into the field, visiting areas of primary concern during a wind-driven brush fire. The goal of this training is to ensure familiarity when the time comes, as many of the initially responding battalion chiefs will be from outside the area.
- LACoFD recently purchased 2 Sikorsky Blackhawk helicopters – both were converted to Firehawks and are currently in service.
- LACoFD has leased 2 CL-415 Super Scooper fixed wing airplanes from the Government of Quebec. Quebec 1 and 2 are currently available for use through a 90 day contract, which can be renewed indefinitely if necessary.

**FUTURE OUTLOOK:**

- Augmented staffing program during Santa Ana wind events, Red Flag days or comparable weather conditions.
- LACoFD will continue working closely with Malibu City Staff and Public Safety Commission to promote public education and wildfire preparedness programs.

2020 Lifeguard Services Summary

The Los Angeles County Lifeguards have the privilege of watching over the "27 Miles of Scenic Beauty" that is the Malibu coastline. During daylight hours, 11 full-time Ocean Lifeguards ensure the safety of the residents and tourist that recreate along these waters. Three of those eleven Ocean Lifeguards work a 24-hour schedule out of Lifeguard Station 300 at Zuma Beach to ensure prompt service after-hours.

Staffing can quickly expand and contract to ensure effective water coverage. This semi-flexible staffing profile allows for the cost effective and efficient public safety. As the weather, ocean conditions, and crowds develop the Lifeguard Division can call on its 650 recurrent Ocean Lifeguard to staff anyone of the 27 Lifeguard towers in the Malibu.

This past year, Los Angeles County Lifeguards made 3,112 Ocean Rescues in Malibu.

Baywatch Rescue Boat Malibu is berthed out of the Malibu Pier. This Rescue Boat responds to ocean rescues both near-shore and offshore. Rescue boat operations range from backing upland-based lifeguard resources, to responding out to the Channel Islands and everything in between.

Rescue Boat personnel are highly trained in marine electronics, navigation, salvage, marine firefighting, SCUBA diving, and marine search and rescue.

This past year, Baywatch Malibu responded to 406 Boating related calls.

Subject: 2020 Summer Beach Enforcement Operation Summary

---

**RECOMMENDED ACTION:** Receive and file summary report of the 2020 Summer Beach Enforcement Operation.

**DISCUSSION:** The annual Summer Beach Enforcement Team has become a vital resource to the Malibu community. The City of Malibu partners with the Sheriff's Department each summer to ensure a safe and wholesome beach environment for both residents and the millions of visitors who come to Malibu during the summer months. The Sheriff's Department selects an extremely motivated team of sworn and non-sworn personnel to provide a strong, visible, pro-active police presence from the ground and air, coupled with strict enforcement of all applicable laws.

The Malibu 2020 Summer Enforcement Operation began with training days prior to deployment on May 29 (Memorial Day weekend), and ended on Monday, September 7 (Labor Day). The training days consisted of department-approved Quad Runner training, crowd control, tactical planning, and tactical communication, as well as Penal, Vehicle, and Municipal Code updates for Summer Enforcement Team operations. This year was the seventh year of the implemented 4/10 schedule, which is a four-day work week of ten-hour shifts for each deputy assigned to the team. The increased visibility and additional daily enforcement have proven to be extremely successful in maintaining safety and enforcement for the beach community and on Pacific Coast Highway (PCH).

This year's core team faced great challenges given the vast number of visitors arriving at beach destinations within the City, particularly due to the COVID-19 pandemic and Safer

at Home health orders. When beaches were opened, far larger crowds than in past years came to enjoy Malibu's beaches. Enforcement efforts were focused on the most popular of the City's adjacent County and State beaches, its designated beach parking areas, its main canyon roadways and PCH, the City's main access artery.

When the County ordered all beaches, parking lots, and accessways closed for the July 4 holiday weekend to prevent further transmission of COVID-19, Malibu's City Manager coordinated with the Sheriff's Department, County Department of Public Health, County Beaches and Harbors, and State Parks to enforce the order. While Sheriff's Deputies, Volunteers on Patrol (VOP), and contracted California Highway Patrol (CHP) officers managed traffic and parking enforcement on PCH and canyon roads, the Summer Beach Team continued to patrol the beaches throughout the weekend, including evenings, to enforce the beach closure order.

A summary of the Malibu Beach Team statistical activity for 2020 is attached to illustrate the team's concerted and highly motivated efforts. Through their dedication and calming presence, this year's deployment of deputies and volunteers successfully met the many unique challenges of this extremely difficult year, ensuring that beach visitors were able to safely enjoy the benefits of Malibu's beautiful coastline.

## II. NOTEWORTHY INCIDENTS

A resident of Los Angeles was arrested for robbery in the 30700 block of Pacific Coast Highway. The suspect entered the location, selected food items and exited without paying for the items. An employee approached the suspect outside of the location and asked the suspect to pay for the food items. The suspect grabbed a large metal pipe and raised it as if to strike the employee. (20-04650)

A Malibu transient was arrested for residential burglary in the 28900 block of Pacific Coast Highway. The suspect made entry through an unlocked door. (20-04976)

A Massachusetts resident was arrested for assault in the Morning View Drive and Pacific Coast Highway. The victim was attempting to locate a parking space along PCH in order to go to Zuma Beach. He saw an open parking space but the suspect was sitting in the space on top of a suitcase. The victim asked the suspect if he could move so he could park. The suspect became upset and refused to move. A white Toyota Prius driven by the suspect's girlfriend showed up and the suspect entered the driver's side. The suspect then drove the vehicle towards the victim. The victim feared for his life. (20-04957)

An attempt residential burglary occurred in the 19300 block of Pacific Coast Highway. The victim was awoken abruptly by two loud banging sounds coming from the front door of the residence. The victim ran to the front door and saw the suspect ramming the door by using a large vase that was on the porch in an attempt to make entry. The suspect, a Malibu transient, was arrested. **COMMUNITY / CRIMINAL ISSUES**

~~1. We conducted a monthly parental resource class at Lost Hills Sheriff's Station. This program was developed by our unit and is designed to educate parents about: 1) The current trends in juvenile behavior and delinquency, 2) Alcohol/narcotic awareness and recognition, 3) School policy and campus issues, 4) Gang awareness and negative peer relations, 5) Parental rights and responsibilities and, 6) Parental responses to incorrigible and/or delinquent behavior. We also address the specific concerns relating to the minor's behavior. We educate the minor and their parents of possible criminal behavior and the legal consequences. We offer suggestions and make recommendations to improve the minor's quality of life.~~

2. Spoke with numerous citizens and parents who called to question various juvenile concerns and issues in the community. We also provide the parents with various juvenile resource programs within our community.

3. We met with the Sylmar Juvenile Court District Attorney regarding the investigation and filing of criminal charges against juvenile offenders.

4. Met with Captain Salvador Becerra throughout the month in order to keep him up to date regarding our unit's investigations and current juvenile issues within our city.

5. Entered juveniles into the Juvenile Automated Index system for various violations.

~~6. Made court appearances to testify as witnesses on the part of the People of the State of California and attended court proceedings in cases generated from the City of Malibu.~~ We also investigated, prepared, and filed cases with the District Attorney's office. We additionally assisted other investigators in the preparation of cases for court.

7. We met with station narcotic detectives on a regular basis to exchange information regarding juvenile and drug related issues. We have worked with the narcotic detectives on several narcotic cases directly and indirectly involving juveniles.

8. Handled the processing and follow-up of various juvenile referrals brought to the attention of this unit (i.e., Juvenile Information Forms, Field Interview Cards, Juvenile Automated Index, and citations for various juvenile contacts with uniform personnel).

9. Conducted our normal checks of juvenile problem areas in the city during weekend evenings and responded to juvenile related calls for service.

10. Updated the Gang Book and briefed the captain on criminal activity trends
11. Registered 3 sexual predators and updated information in database.
12. eSCARS system updated.
13. Month End Reports completed.
14. Assisted Records Sealing Unit with several cases.
15. Uniform store re: station needs.
16. Updated school safety plans placed in patrol vehicles.
