Date prepared: November 21, 2022 Meeting date: November 30, 2022

Subject: Fiscal Year 2021-2022 Fourth Quarter Financial Report

RECOMMENDED ACTION: Review Fiscal Year 2021-2022 Fourth Quarter financial information.

FISCAL IMPACT: As of June 30, 2022, the projected budget General Fund Undesignated Reserve at June 30, 2022 is \$57.4 million (unaudited).

DISCUSSION: The attached report provides revenue, expenditure and fund balance totals for the fourth quarter of Fiscal Year 2021-2022.

The Adopted Budget is approved by City Council, typically in June, via resolution, and the Amended Budget includes the ongoing appropriation revisions that occur throughout the fiscal year.

As the Revenues by Fund Report (pages A 1-5) shows, the General Fund revenues have exceeded budget estimates. Specifically, the report reflects General Fund revenues received of \$53.4 million or 110.1% of the amended budget amount and 137.9% of the adopted budget for the fiscal year. The General Fund revenue sources were conservatively budgeted for in anticipation of the ongoing economic impacts of the COVID-19 pandemic and were based on information from both the State and the County. Malibu's economic recovery has continued to grow rapidly and it is reflected in many of the revenue sources. Total revenue of all funds received during the fiscal year is \$65.3 million or 68.9% of the amended budgeted amount for the fiscal year.

Many of the City's tax revenues outperformed the projected budget. Property Tax revenue came in at \$13.24 million, which is \$345,000 more than the amended budget amount. The City received \$1.6 million in Documentary Transfer Tax which is \$610,000 more than the amended budget. Sales Tax ended the year at \$5.8 million, which is a \$1.3 million increase over the amended budget and nearly \$2.3 million over the adopted budget. Retail sales and dining continue to do much better than anticipated and predicted during the pandemic. In the fourth quarter of the fiscal year (April, May, June), all sales receipts actuals were up 17.4% over the same period of the prior year. Restaurants make up the largest share of the City's Sales Tax revenue at about 39%. The industry experienced a cumulative 38% growth over the prior year.

Transient Occupancy Tax (TOT) – Hotels and Motels exceeded the amended budget by \$1.0 million and the adopted budget by 1.8 million. The City received \$6.6 million from TOT – Private Rentals primarily due to the increased TOT rate that went into effect on January 1, 2021, and the increase in local travel as the pandemic waned. The City received \$5.3 million in TOT - Private Rentals in the prior fiscal year. It was anticipated that the Hosted Short-Term Rental ordinance would be implemented and reduce revenues, but the ordinance was under review by the California Coastal Commission at the time, and ultimately it was not approved by the Coastal Commission.

Building and renovations in the community continue to be active as Planning, Environmental Sustainability, and Public Works are taking in a greater than average number of applications, reviewing projects and processing permits. Revenue from Licenses and Permits exceeded the adopted budget by nearly \$900,000, and \$700,000 over the amended budget. Revenue from Service Charges exceeded the adopted budget by over \$1.3 million, and \$870,000 over the amended budget.

Overall, the total General Fund Revenues resulted in \$3.4 million more than the amended budget and \$13.2 million more than was anticipated at adoption.

The Expenditure by Fund Report (pages A 6-9) reflects any budget carryovers from Fiscal Year 2020-2021, as well as the appropriations approved by the City Council for the current fiscal year in the Amended Budget column. Budget Adjustments, Carryovers and Council Appropriations total \$1.9 million as of June 30, 2022. General Fund expenditures for the fiscal year total \$36.7 million or 87.5% of the amended budgeted amount. Expenditures for all funds total \$47.2 million or 50.5% of the amended budgeted amount. The low expenditure amount of all funds in relation to the budget is primarily due to pauses in progress on capital projects, the most significant of which is the \$16.5 million for the Civic Center Water Treatment Facility (CCWTF) Phase Two.

Projected Fund Balances for the fiscal year end are reflected on page A-10. The projected Undesignated Fund Balance at June 30, 2022 reflects all expenses appropriated by the Council as of June 30, 2022. The City ended Fiscal Year 2020-2021 with \$43.9 million in

the Undesignated General Fund Reserve. As of June 30, 2022, the unaudited General Fund Undesignated Reserve is \$57.4 million. This is \$27.9 million more than the \$29.5 million that was projected at the time of budget preparation. The City's Projected General Fund Undesignated Reserve will be approximately 129.9% of the \$44.2 million Fiscal Year 2022-2023 operating budget and will exceed the 65% targeted reserve amount. The Council also established a \$6.5 million General Fund Designated Reserve for Fiscal Year 2021-2022 operating expenses in case of need due to the pandemic, and this reserve remains for contingencies.

The Treasurer's Cash and Investment Report is attached on page A-11.

The Fiscal Year 2021-2022 Fourth Quarter Financial Report will be presented to the City Council on December 12, 2022.

Subject: Fiscal Year 2022-2023 First Quarter Financial Report

RECOMMENDED ACTION: Review Fiscal Year 2022-2023 First Quarter financial information.

FISCAL IMPACT: As of September 30, 2022, the projected General Fund Undesignated Reserve at June 30, 2023 was \$54.1 million (unaudited).

DISCUSSION: The attached report provides revenue, expenditure and fund balance totals for the first quarter of Fiscal Year 2022-2023.

The Adopted Budget for Fiscal Year 2022-2023 maintained conservative budgeting principles. The City has recovered much better than anticipated from the economic uncertainties of the COVID-19 pandemic. Revenues for the prior Fiscal Year 2021-2022 greatly exceeded predictions. Many of the revenue sources that showed increases in the prior fiscal year, including property tax, sales tax and transient occupancy tax, have not yet been received for the first quarter of Fiscal Year 2022-2023. Staff will continue to closely monitor these tax revenue sources and, if adjustments to the budget are warranted, staff will bring those revisions to the Council at mid-year.

Staff continues to closely monitor all revenues and expenditures and, as of the close of the first quarter, the City's expenses and revenues are tracking appropriately.

The Revenues by Fund Report (pages A 1-5) reflects General Fund revenues of \$8.8 million or 19.1% of the annual budgeted amount for the fiscal year. Total revenue of all

funds received during the first quarter is \$9.3 million or 10.3% of the annual budgeted amount for the fiscal year. Many revenue sources are received on a quarterly or annual basis and, as such, will be reflected when the year-end report is presented.

The Expenditure by Fund Report (pages A 6-9) does not yet reflect any budget carryovers from Fiscal Year 2021-2022 as these will be included at mid-year after the prior fiscal year has been audited. General Fund expenditures for the first quarter total \$7.2 million or 16.3% of the annual budgeted amount. Several large General Fund expenditures occur in the beginning of the fiscal year, including insurance and CalPERS liability payments. Expenditures for all funds total \$8.3 million or 9.3% of the annual budgeted amount.

Projected Fund Balances for the fiscal year end are reflected on page A-10. The projected Undesignated Fund Balance at June 30, 2023 includes all expenses appropriated as of September 30, 2022 by the Council. The City ended Fiscal Year 2021-2022 with \$57.4 million (unaudited) in the Undesignated General Fund Reserve. As of September 30, 2022, the projected General Fund Undesignated Reserve at June 30, 2023 was \$54.1 million.
