Guide to the City Commission Proceedings

As a result of the Coronavirus (COVID-19) pandemic, the City is under a state of local emergency, as well as states of emergency that have been declared in the County of Los Angeles, state of California, and a federal emergency declared by the President of the United States. In order to reduce the risk of spreading COVID-19, the City Council meeting will be open and public but conducted virtually because meeting in person would present imminent risks to the health or safety of attendees. This way the public, the staff, and the Council will not be physically in the same place.

The Oral Communication portion of the agenda is for members of the public to present items which are not listed on the agenda, but are under the subject matter jurisdiction of the Commission. Although no action may be taken, the Commission and staff will follow up, at an appropriate time, on those items needing response. Each speaker is limited to three (3) minutes. Members of the public wishing to speak during the meeting must participate through the Zoom application. The City requests that you sign up to speak before the item you would like to speak on has been called by the Chair and then you must be present in the Zoom conference to be recognized. Please visit <https://malibucity.org/VirtualMeeting> and follow the directions for signing up to speak and downloading the Zoom application.

Items in Consent Calendar Section A have already been considered by the Commission at a previous meeting where the public was invited to comment, after which a decision was made. These items are not subject to public discussion at this meeting because the vote taken at the previous meeting was final. Resolutions concerning decisions made at previous meetings are for the purpose of memorializing the decision to assure the accuracy of the findings, the prior vote, and any conditions imposed.

Items in Consent Calendar Section B have not been discussed previously by the Commission. If discussion is desired, an item may be removed from the Consent Calendar for individual consideration. Commissioners may indicate a negative or abstaining vote on any individual item by so declaring prior to the vote on the motion to adopt the entire Consent Calendar. Items excluded from the Consent Calendar will be taken up by the Commission following the action on the Consent Calendar. The Commission first will take up the items for which public speaker requests have been submitted. Public speakers shall follow the rules as set forth under Oral Communication.

Old Business items have appeared on previous agendas but have either been continued or tabled to this meeting with no final action having been taken. Public comment shall follow the rules as set forth under Oral Communication.

Items in New Business are items which are appearing for the first time for formal action. Public comment shall follow the rules as set forth under Oral Communication.

Copies of the staff reports or other written documentation relating to each item of business described above are on file in the office of the City Manager, and available upon request by emailing BSaleaumua@malibucity.org.

The City Hall phone number is (310) 456-2489. She also stated staff would contact Caltrans to see if they could provide more detailed plans for the project.

Commissioner Jones stated it would also be helpful to know the measurements of the underpass.

Commissioner Haldeman suggested incorporating stencil art into the artwork medium.

Malibu Arts
Commission Meeting
07-26-22

**Item
4.A.**

To: Chair Cherin and Members of the Malibu Arts Commission

Prepared by: Kristin Riesgo, Community Services Deputy Director

Approved by: Jesse Bobbett, Community Services Director

Date prepared: July 11, 2022 Meeting date: July 26, 2022

Subject: Solstice Canyon Creek Beautification Project

RECOMMENDED ACTION: 1) Review the Solstice Canyon Creek Beautification Project; and 2) Provide direction to staff.

DISCUSSION: In 2023, the California Department of Transportation (CalTrans) will begin construction on the Solstice Canyon Creek Bridge Replacement Project (Bridge Replacement Project) located at Pacific Coast Highway and Corral Canyon Road (Attachment 1). The project will replace the existing bridge and culvert, allowing for proper drainage and improved hydraulic conditions for Solstice Canyon Creek. Additionally, the new culvert will serve as a pedestrian underpass to Dan Blocker State Beach while facilitating movement of the endangered California steelhead trout population in the area.

CalTrans received a grant from the Clean California Program, to fund artwork for the project (Artwork Project). The grant provides funding to public agencies to clean and beautify public spaces in California, with the goal of educating the community, supporting local arts, and creating a cultural connection through art. After receiving the grant, CalTrans reached out to the City requesting assistance from the Commission regarding the selection of a local artist, theme, and medium for the Artwork Project. The artwork would be installed on the side of the new underpass, which will be a similar in size to the current underpass (Attachment 2), but rectangular in shape.

There are two timelines, related to the Bridge Replacement Project: the Artwork Project timeline and Bridge Replacement Project timeline. The Artwork Project timeline includes the Commission's review and recommendation for the artwork, contributing artist(s), and full completion of the artwork, which must be completed by June 2023. The Bridge Replacement Project timeline, which includes the removal and replacement of the current bridge and culvert, which will be completed by 2026. At that time, the Artwork will be installed in the new underpass.

From June 2023 through 2026, the Artwork installation for the new culvert must be on display in a location accessible to the public. In addition to recommending the Artwork, the Commission is asked to recommend a location to display the artwork for 2.5 years until the Bridge Replacement Project is complete.

Additionally, CalTrans recommends the following for the Commission's consideration:

- A medium and theme must be determined. Recommended themes include the environment, marine ecosystem, history of the Solstice Canyon area, or steelhead trout
- The artwork size must be determined, but may not exceed 6' x 130'
- Individual panels are recommended in the event the artwork is damaged and needs to be replaced
- A graffiti resistant or anti-graffiti coating will be on the artwork to prevent and deter vandalism
- The artwork cannot contain text

At the May 24, 2022 Regular meeting, the Commission reviewed the project and requested additional information regarding the structural bridge design and exact locations in which art could be displayed. Additionally, the Commission requested a representative from CalTrans attend an upcoming meeting to answer questions regarding the project.

The Commission is asked to review the Artwork Project, determine and approve artwork criteria, determine a method of selecting an artist, and select a location to display the artwork from June 2023 to 2026. The Commission's recommendation will then be taken to Council for review and approval.

MALIBU ARTS

The Community Services Department works with the Malibu Arts Commission to coordinate and produce several art-related programs and projects within the Malibu community.

The Arts in Education program benefits local schools and features various speakers from different artistic backgrounds and art workshops for children across all grade levels. The program has provided students with insight into potential careers and creative expression they may not have otherwise received through existing school programs.

The Malibu Poet Laureate program remains strong and continues to expand. The City appointed its fourth Poet Laureate, Ann Buxie, who will serve a two-year term through October 2023. The Poet Laureate works with members of the Poetry Laureate Committee to conduct poetry programs, writing workshops, and open-mic events for adults. The Poet Laureate plans to curate a Community Anthology and select poetry stones for Legacy Park at the conclusion of her term. Former Malibu Poet Laureate Ricardo Means Ybarra continues to engage with student poets through the Arts in Education program, and the City will once again publish the Annual Student Poetry and Art Anthology in Fiscal Year 2022-2023. The Poet Laureate Committee also collaborates with community partners such as the Malibu Library and Pepperdine University to promote literary arts. Staff is currently evaluating options and opportunities to address expanded investments in the Arts.

Art Exhibitions have included acclaimed artists in addition to displaying community artists in the Malibu City Gallery located at City Hall. The Arts Commission is working toward exhibiting exclusive works by world-renowned artists in Fiscal Year 2022-2023.

Arts programs and events resumed during Fiscal Year 2021-2022 following the COVID-19 Pandemic. Many arts programs and events are expected to fully resume as COVID-19 restrictions are eased during Fiscal Year 2022-2023. As in 2021-22, a portion of the Recreation Coordinator will be funded by the American Rescue Plan Act (ARPA).

Hollywood-Themed Multi-Artist Exhibition

This exhibition will feature a Hollywood theme, including the work of Alexander Golitsyn, as approved by the Commission at the March 22, 2022 Regular meeting.

Pep Williams

Pep Williams is an American fine art and street photographer, director, entrepreneur, and former professional skateboarder who grew up in South Central Los Angeles. He has traveled globally creating material for several photographic exhibitions and his images have been shown in galleries throughout the United States, Japan, Portugal, Brazil, and Germany.

Mr. Williams' work has been published in many fashion, music, and lifestyle magazines such as Thrasher, W, Inked, Breaks, One West, Mass Ink, and Urban Ink. Additionally, he is one of the only photographers ever to have been granted access into the California State Prison System, where he created a series of inmate portraits entitled "*Behind Bars*."

Student Art Exhibition

The City typically hosts the annual Malibu Student Art Exhibition each year in February. The Student Art Exhibition is coordinated by the Community Services Department, in partnership with the Harry Barovsky Memorial Youth Commission, and typically displays over 200 pieces of student artwork.

Surf Culture

For the 2021-2022 schedule, the Commission approved an exhibition related to Malibu surf culture due to the popularity of a previous exhibition in 2016, *The Art of the Board*. The exhibition, *Art of Surf*, received interest from several local artists and is currently on display at the Malibu City Gallery. Due to Malibu's significant surf culture and history, the Commission recommended that future exhibition schedules include at least one surf-related exhibition each year.

In addition to the four exhibitions described above, the Ad Hoc also recommends hosting two additional exhibitions and has requested feedback regarding potential themes from the Commission.

- Multi-Artist Exhibition; Photography or Painting
- Single Artist Show; Medium and Theme: To Be Determined

The exhibitions will be open to the public from 8:00 AM to 4:00 PM; Monday through Friday at the Malibu City Gallery in City Hall. Funding for the exhibitions, including marketing, online art call submission fees, and supplies, were included in the Adopted Budget for Fiscal Year 2022-2023. The Ad Hoc Committee will curate and coordinate the programs related to each exhibition and provide updates during Commission Regular meetings.
