

THE PEOPLE CONCERN OUTREACH TEAM

JANUARY UPDATE REPORT

9/30/2016 – 1/10/2017

Definition of terms (Glossary):

Contacted-Not Engaged

Individual has been identified as homeless on the streets of Malibu and the Malibu Outreach Team has had at least one interaction with them. The number fluctuates from month to month. Many contacts are homeless individuals ‘passing through’ Malibu. The greatest impact on the Malibu community is the number related to Engaged Level 1 below.

Engaged Level 1

The Malibu Outreach Team has had multiple contacts with the homeless individual, who is now at varying stages of accepting services.

Engaged Level 2

The homeless individual has achieved Level 1 Engagement AND is receiving additional intensive, street-based services from OPCC’s interdisciplinary teams (which include physicians, nurses, psychiatrists, mental health professionals, substance abuse experts and peers).

Enrolled

Client has consented to services, has been assigned to a Case Manager and has completed a goal plan
