Commercial Organics Recycling Waiver Application

California State Assembly Bill 1826 and Senate Bill 1383 mandate the recycling of commercial organic waste. All businesses and multi-family complexes are required to participate in an organics recycling program. Organic waste is defined as: food waste (commercial sector only), green waste, landscape and pruning waste, nonhazardous wood waste, and food-soiled paper waste that is mixed in with food waste.

Property Name:

Street Address:		
Mailing Address (if different):		
City:	State:	Zip:
Contact Name:		Phone No.:
Contact Email:		
Hauler:	Date of Site Visit:	

Reason for Waivers (complete all that apply and provide additional information as required):

1. **Third-Party Hauler** or **Self-Hauler** of organic waste and/or commercial recyclables. A person or organization may collect organics and/or commercial recyclables from this location, at no cost. This includes food donations to people or animals. *If you use this option, your business must complete the Third-Party Hauler form and report tonnages.*

Material Type	Pounds per week	Name of Company, Address, Contact Name, Phone, and Email Address	Activity Conducted with Material (e.g. composted or feed)

2. **Insufficient space for storage and/or service of hauler-provided containers.**

This must be validated by City staff, hauler, licensed architect, or engineer. *If you claim this option, your business must provide documentation and photos with this waiver request.*

3. **Landscaper Hauler** **of organic waste.** Documentation must be attached verifying that materials are not landfilled (e.g. landscaping services contract, statement from company). *If you use this option, your business must complete the Third-Party Hauler form and report tonnages.*

Material Type	Pounds per week	Name of Company, Address, Contact Name, Phone, and Email Address	Activity Conducted with Material (e.g. composted or feed)

4. **The amount of organic waste generated per week is less than:**

Provide an explanation or description of all waste generated, if not organic waste. A photo of the waste container contents must be attached to this waiver request.

- Generates ≥ 2 CY of waste weekly and < 20 gallons of organics
- Generates < 2 CY of waste weekly and < 10 gallons of organics

Staff will review applications and visit the site to determine eligibility. Submit applications with accompanying photographic support to info@sws-inc.com. Waivers must be recertified every five years. There is no guarantee that a waiver will be granted by the City of Malibu.
