INSURANCE AND ENDORSEMENT REQUIREMENTS FOR USE OF FACILITIES AND PARKS

The City of Malibu requires all customers to provide an underwriter's Endorsement with a Certificate of Insurance in order to confirm use of facilities. The minimum requirements are for General Liability Insurance coverage of \$1,000,000.

An additional insured clause is an amendment to an insurance contract that provides coverage rights to other parties involved in a transaction. It serves to protect the additional parties in the event of negligence on the part of the primary policyholder, also known as the named insured.

There is a common misconception that if a party is issued a certificate of insurance, it is the same as being an additional insured. This is not the case and the policy must be endorsed adding the City of Malibu as an additional insured. The City does not accept only a Certificate of Insurance adding the City as an additional insured or a blanket endorsement. The proper endorsement form is required!

The City of Malibu requires that all tenants/vendors provide a certificate of insurance (COI) and endorsement (two pages total) naming the City of Malibu as additional insured. The insured names should match the group/organization name on the permit or vendor name and the City of Malibu should be listed as the certificate holder and as the additional insured as follows:

City of Malibu
23825 Stuart Ranch Rd.
Malibu, CA 90265

Insurance may be sent via e-mail to bsaleaumua@malibucity.org or faxed to (310) 494-4205.
