CITY OF MALIBU

CITY MANAGER'S NEWSLETTER

SEPTEMBER 3, 2025

Greetings Malibu,

First, I'd like to wish all of our Malibu students and families a very happy back-to-school experience.

I'm also pleased to share some important developments and upcoming events for Malibu. The City is taking a major step toward regional fire safety by joining LA County to launch a bold Wildfire Mitigation Pilot Program that will strengthen fire prevention efforts across the Santa Monica Mountains.

The City advanced the rebuild effort, holding a very productive Special Council meeting with the Community Development Department to clarify critical rebuild planning policies, which will go a long way in helping to streamline the rebuild process. The Council approved 15 policy items, ranging from clarifying the definitions of “like-for-like,” to what would be considered a “lawfully erected” structure, to how water tanks and pools could be allowed to be used for fire protection, as well as other rebuild issues. We are also happy to share with the community the issuance of the second rebuild permit in the Big Rock neighborhood.

Over Labor Day weekend, City Code Enforcement staff was out ensuring safety and quality of life for residents and visitors. Our Public Works Department was able to save the stoplight and cross walk at Guernsey Ave. and Pacific Coast Highway.

At the same time, we are working hard to prepare for fire season, and will be conducting weekly Disaster Notification System tests in September. Don't miss our Safety and Preparedness Fair on Saturday, September 6 to help you get prepared for wildfires and other disasters. There will be all kinds of fun activities for the kids, and disaster preparedness and educational information for the family.

We also had the opportunity to celebrate the opening of a new business in Malibu, and look forward to more to come.

Thank you for your resilience and amazing spirit, let's all stay Malibu Strong!

With gratitude,

Ambassador Candace A. Bond (ret.)
Interim City Manager
CBond@MalibuCity.org

CITY MANAGEMENT/CITY COUNCIL

MALIBU JOINS LA COUNTY TO ESTABLISH BOLD WILDFIRE PREVENTION PILOT

The City is working with Los Angeles County to establish a Wildfire Mitigation Pilot Program to coordinate and fund wildfire prevention in the Santa Monica Mountains. The project focuses on planning, legal formation, and financing strategies for long-term vegetation management and defensible space in high-risk fire zones. Funded by FEMA, the 48-month, $750,000 effort will involve multiple agencies and aims to build regional capacity for wildfire resilience through shared governance, sustainable funding, and scalable mitigation models.

For more information contact Deputy City Manager Richard Rojas at **rrojas@malibucity.org**.

STAFF ATTENDS MALIBU CREEK RESTORATION PROJECT WORKSHOP AT PEPPERDINE

On August 20, the California Department of State Parks hosted a public outreach meeting for their Malibu Creek Restoration Project. The presentation included a project overview, project alternatives, and Q&A session with participants. Following the main presentation, State Parks provided details about their surf impact analysis, which will analyze historic changes in wave conditions over time and forecast changes that may occur with the creek restoration efforts.

Click here for more information.

CELEBRATING NEW BUSINESS OPENING IN MALIBU

Mayor Marianne Riggins and Councilmember Haylynn Conrad were proud to join the Malibu-Pacific Palisades Chamber of Commerce and business and community leaders for the ribbon cutting of Pura Vida. Founded in 2012 by husband-wife team Omer and Jennifer Horev, Pura Vida is located in Cross Creek Ranch on Civic Center Way. The restaurant is committed to healthy and sustainable cuisine, and offers vegan, vegetarian, and gluten-free options. The City is committed to supporting our local businesses!

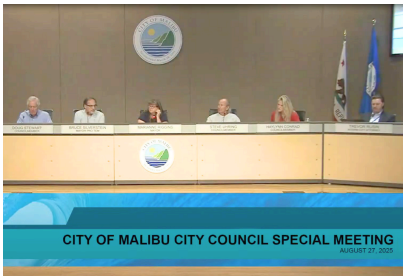

Learn More About Pura Vida.

CONGRATULATIONS TO OUTSTANDING MALIBU EMPLOYEES

The City held the monthly Staff Recognitions on August 26. Nominated by their direct supervisors, certificates of commendation were awarded to City of Malibu employees who demonstrated the very best of public service through initiative, dedication, and a genuine commitment to making Malibu a better place for all our residents. Their work exemplifies what it means to serve with both competence and heart. Moving forward, these commendations will serve as a regular reminder that exceptional service does not go unnoticed, and that our City of Malibu staff continue to make a meaningful difference in our community each day.

COMMUNITY DEVELOPMENT

VIDEO: CITY COUNCIL WORKSHOP ON REBUILD POLICIES FOR DISASTER-DAMAGED HOMES

The City Council continued its discussion at a Special Meeting August 27 on policies to help residents rebuild homes and structures damaged or destroyed by natural disasters. The meeting builds on a previous Council discussion on July 22, with important updates, such as:

- The Council approved 15 of the 16 policy items, ranging from clarifying the definitions of “like-for-like,” what would be considered a “lawfully erected” structure, how water tanks and pools could be allowed to be used for firefighting, and other rebuild issues. One policy regarding beachfront development and sea level rise will be further examined during meetings in September.
- Whether large eaves and overhangs (6 feet or more) should count toward a home's total development square footage.
- Clarifying how the Governor’s 10% rebuild “footprint” rule compares to the City’s 10% rule that also considers height and bulk.

For details, see the staff report.
Click here to watch the video.

COMMUNITY DEVELOPMENT DIRECTOR YOLANDA BUNDY RECEIVES PRESTIGIOUS AWARD

Community Development Director Yolanda Bundy has received the American Society of Civil Engineers (ASCE) Committee on Advancing the Profession 2025 Professional Practice Ethics and Leadership Award. This national award recognizes ethical leadership in civil engineering, honoring professionals who demonstrate integrity, public service, and a commitment to advancing the standards of the profession. ASCE is one of the oldest and most respected professional organizations for civil engineers, with over 150,000 members worldwide. Congratulations Yolanda!

LABOR DAY WEEKEND CODE ENFORCEMENT COVERAGE

The City's Code Enforcement team was on duty throughout the Labor Day weekend to help keep our community safe and enjoyable for residents and visitors. Officers were available daily from 8:00 AM to 6:00 PM to respond to complaints and ensure compliance with City regulations.

During the holiday, Code Enforcement addressed a variety of issues, including short-term rental violations, unpermitted food trucks and vendors, construction activities outside allowed hours, excessive noise, and other health and safety nuisances.

To speak to an operator to report any other concern that requires an after-hours response, please call 310-456-2489, extension 310 or call the Los Angeles County Sheriff's Department 818-878-1808 for assistance. In case of emergency, call 911. During regular business hours, please call 310-456-2489, ext. 484.

SMALL BUSINESS ADMINISTRATION (SBA) RECOVERY WORKSHOPS AT CITY HALL SEPTEMBER 7, 9 & 10

The U.S. Small Business Administration (SBA) will hold informational workshops at City Hall. SBA staff will assist fire-affected businesses, homeowners and renters with financial guidance and recovery support. Community Development staff will be available to answer questions about the new Express Event Permit and Sign Permit process. To learn more and register, **visit the website.**

- Sunday, September 7, 12:00 PM – 4:00 PM
- Tuesday, September 9, 6:00 PM – 10:00 PM
- Wednesday, September 10, 9:00 AM – 1:00 PM

SBA OFFERS ONLINE DISASTER MITIGATION & REDUCTION ASSISTANCE SESSIONS SEPTEMBER 3 – 12

Take action to protect your property, home, business or non-profit from disaster by planning ahead. Learn how at one of the SBA's online Disaster & Mitigation Reduction Sessions. Multiple sessions are offered September 3 through 12. Learn how to increase your SBA loan for added protection, get personal guidance from SBA staff, and explore mitigation projects to reduce future damage. Learn more and register for any of the sessions on **the SBA website**.

MALIBU MARKS MAJOR RECOVERY MILESTONE WITH FIRST HOMES RECEIVING PERMIT & STARTING CONSTRUCTION

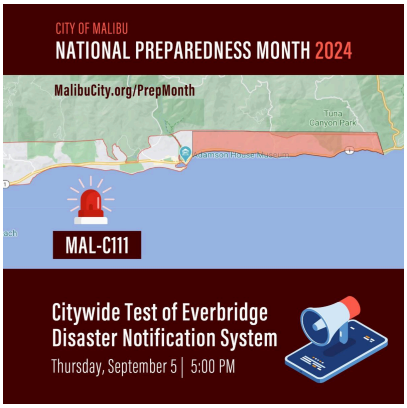

The City issued its first and second Palisades Fire Rebuild Building Permits, and construction started on one of the homes, marking a major step forward for recovery efforts.

"Each permit issued represents a family's path home," said Mayor Marianne Riggins. "This progress reflects our community's patience and unwavering dedication to rebuilding not just what was lost, but something even stronger and more unified."

Despite the unique challenges of rebuilding along Malibu's coastline, the City has already received 100 rebuild applications in just 7 months — a faster pace than previous post-fire efforts. Every home rebuilt reflects our commitment to safety, resilience, and the natural beauty of Malibu.

PUBLIC SAFETY

WEEKLY EVERBRIDGE DISASTER NOTIFICATION TESTS IN SEPTEMBER

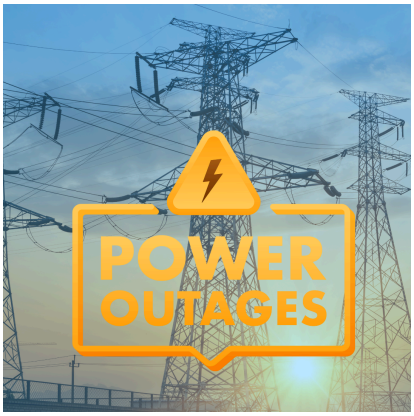

In recognition of National Preparedness Month and wildfire season, the City will test the Everbridge Disaster Notification System each Thursday in September at 5:00 PM, rotating through Malibu's evacuation zones:

- **Zone MAL-C111 – Thursday, September 4**
- **Zone MAL-C112 – Thursday, September 11**
- **Zone MAL-C113 – Thursday, September 18**
- **Zone MAL-C114 – Thursday, September 25**

Everbridge is used to send urgent alerts, including evacuation orders, during major emergencies. Most landlines and cell phones in Malibu are automatically included, but residents and businesses can **create a profile to add extra contacts on the website**.

Look up your evacuation zone **on the City's website** and monitor LA County's emergency evacuation website **Genasys Protect**.

For help with Everbridge or if you don't receive a test, please contact **PublicSafety@MalibuCity.org** or call 310-456-2489.

POWER OUTAGES IN MALIBU

Nearly 2,000 customers in the Point Dume area experienced a power outage on Tuesday, September 2, from about 5:00 AM to 9:30 AM, the fourth unplanned outage in recent weeks. This was not a Public Safety Power Shutoff (PSPS), which SCE can implement during hazardous fire conditions to prevent its equipment from starting a fire. Despite calls from City officials to SCE to explain the outages and take steps to prevent them, no explanation has been provided.

As Malibu heads into fall and winter fire season, all residents should be prepared for both unplanned outages and PSPS events, especially since SCE announced earlier this year that it would be implementing more and longer PSPS events.

Losing power often means losing communications service, which during hazardous fire conditions can create a life-threatening situation.

Preparedness Tips:

- Check refrigerated food and discard anything that may be spoiled
- Plan ahead to keep prescription medications chilled
- Keep phones and devices charged
- Get backup batteries or power stations
- Monitor news and emergency information on AM/FM radio using handheld or car radios, which will work when power is out
- **Check outage status**
- **See more tips**

The City is also preparing by maintaining backup generators that can power traffic signals during extended outages, reducing the risk of collisions when signals go dark.

GET PREPARED FOR WILDFIRES, EARTHQUAKES, POWER OUTAGES & OTHER DISASTERS AT THE CITY'S SAFETY & PREPAREDNESS FAIR - SEPTEMBER 6

All of Malibu is invited to the 7th Annual Safety and Preparedness Fair, offering valuable resources and information on preparing for wildfires, earthquakes, storms, and other disasters, Saturday, September 6 at City Hall.

The event will feature a Touch-a-Truck experience with vehicles from LA County Fire and Sheriff's Departments, Southern California Edison (SCE), Waste Management, and Tip-Top Tow. Kids can take part in a Bicycle, Scooter, and Pedestrian Safety Rodeo hosted by Safe Moves, enjoy a rock-climbing wall, and

experience a realistic earthquake in the earthquake simulator. The City thanks SCE for sponsoring this important event.

Meet your local public safety and law enforcement professionals, learn about emergency preparedness products and services from participating vendors, and enjoy food from Tommy's Burgers and Tikiz Shaved Ice food trucks.

Click here for more information.

MALIBU FIRE CONDITIONS UPDATE – AUGUST 28

As we move further into the 2025 wildfire season, the City's Fire Safety Liaisons are continuously monitoring fire weather conditions closely to help the City and residents be prepared. Warmer-than-normal temperatures this weekend through Tuesday may slightly increase the risk of plume-driven fires.

Live Fuel Moisture (LFM):
Currently at 71%, just below the seasonal average of 72% and above the critical threshold of 60%. While this is encouraging, aggressive fire behavior can still occur under dry, windy, and steep conditions. Grasses are highly flammable.

Current Fire Danger Rating:
LOW along the coast and **MODERATE** inland. Elevated Fire Weather Conditions are forecasted for inland areas, but no the coast. These ratings reflect current fuel, weather, and topography conditions and can be seen on "Smokey Bear" signs outside Fire Stations.

Winds: Low winds ranging from 2 to 7 MPH are forecast for the Santa Monica Mountains for the coming seven days.

Even with favorable moisture levels, vegetation is dry and vulnerable to fire. Residents are urged to stay proactive with home hardening and brush clearance, and monitoring fire conditions.

Click here for NWS Fire Weather Snooper

MALIBU RECEIVES MOBILE EMERGENCY SIREN TRAILERS

The City of Malibu is working with the City of Los Angeles to finalize the transfer of two outdoor emergency siren/speaker trailers. The mobile speaker trailers are grant-funded and can be used to broadcast alerts, siren sounds, and pre-recorded messages in the community during emergencies. Once the trailers are received by the City of Malibu, the City will conduct alert testing and work with the LA County Fire and Sheriff's Departments, and the City's Public Safety Commission to identify locations that could benefit the most from the siren trailers. Because the siren/speaker

trailers are mobile, they can be placed in specific locations where needed to address an incident that is taking place. The sirens are part of the City's efforts to address the power and communications blackouts that Malibu has experienced during the Woolsey, Franklin and Palisades fires, and SCE Public Safety Power Shutoffs (PSPS). The City will continue to provide updates on this exciting project.

MALIBU COMMUNITY BLOOD DRIVE, SEPTEMBER 15

Give the gift of life, donate blood at the City of Malibu and American Red Cross Blood Drive Monday, September 15, 10:00 AM – 4:00 PM at City Hall. The Red Cross reports it is experiencing an extreme blood shortage, so blood donations are badly needed. Blood is needed every day for surgeries, emergencies, regular medical procedures, as well as for major emergencies such as earthquakes, hurricanes, shootings or terrorist attacks. Please register in advance with sponsor code "CityofMalibu." Bring a photo ID, drink plenty of water and eat well before and after giving blood. For more information, call 818-200-3445.

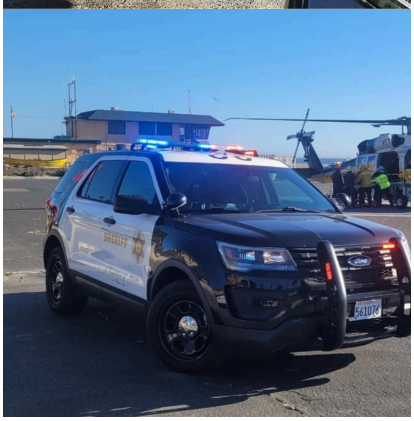

Click to Register

HOMELESS OUTREACH UPDATE

The City's Homeless Outreach Team, which consists of three outreach workers from The People Concern, reported that in July 2025, it engaged with 66 people experiencing homelessness in Malibu. Four of them were either relocated or placed in interim housing where they will be connected to a broad network of services. Current and past monthly Homeless.

Click here to see current and past outreach reports.

WORKSHOP: LEARN HOW TO SECURE YOUR HOME & PROPERTY FROM SQUATTING & TRESPASSING – SEPTEMBER 11

Community members can attend the Protect Your Home Workshop on Thursday, September 11, 6:00 PM at City Hall to learn best practices from law enforcement for securing homes and property against trespassing and squatting. The event, hosted by the City of Malibu and the LA County Sheriff's Department (LASD), will also provide an opportunity to ask questions and file a Letter of Agency with the Malibu/Lost Hills Sheriff's Station.

With the City's Covered 6 private security contract in the Palisades Fire burn area ending soon, residents are encouraged to file a Letter of Agency, which authorizes Deputies to remove or arrest

trespassers and helps LASD respond more effectively to theft and trespassing. Details will be posted in advance **on the website.**

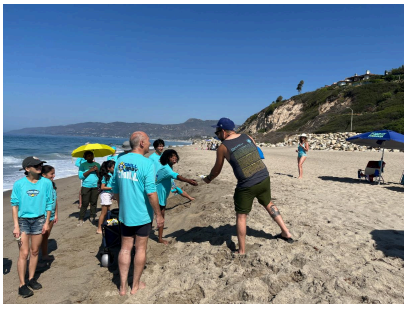

CITY IS TESTING ALERT FM, WHICH COULD PROVIDE EMERGENCY ALERTS DIRECTLY TO HOMES DURING COMMUNICATIONS & POWER OUTAGES

The City is exploring the use of ALERT FM for sending emergency alerts via FM radio, as part of the City's efforts to address the communications and power blackouts that have posed serious problems during the Woolsey, Franklin and Palisades fires, and SCE Public Safety Power Shutoffs (PSPS). ALERT FM is an emergency notification system that uses satellite radio signals to send alerts to receivers in homes, even when cell or internet service is out. An important part of this is determining which FM stations provide the best reception in Malibu. Residents are invited to help the City by testing the reception of the following FM stations inside their homes, then taking a short survey:

- 88.1, KKJZ
- 88.9 KLMU
- 93.9 KDAY
- 102.3 KJLH
- 103.1 KDLD
- 103.9 KRCD

Click Here to Take the Survey

VOLUNTEERS PROMOTE PCH SAFETY WITH BEACHGOERS ON LABOR DAY WEEKEND

Mayor Marianne Riggins, Public Safety Director Susan Dueñas and Deputy City Manager Richard Rojas joined volunteers for the City's Big Blue Beach Crawl on August 30 at Westward Beach. This fun, interactive event was part of Malibu's "Surf, Sand, Slow" campaign to raise awareness on making Pacific Coast Highway (PCH) safer for residents cyclists, pedestrians, visitors and commuters. **Learn more**.

PUBLIC WORKS

PUBLIC WORKS DEPARTMENT FINDS SOLUTION WITH CALTRANS TO KEEP GUERNSEY/PCH SIGNAL IN PLACE

After hearing from many in the community about the benefits of the temporary traffic signal at Guernsey Avenue and Pacific Coast Highway for pedestrian and cyclist safety and beach access, the City's Public Works Department worked with Caltrans to keep the traffic signal in place. Caltrans confirmed on August 22 that the signal is operating, and has installed temporary crosswalk striping. The signal was originally installed during the Trancas Bridge replacement project to provide safe passage for pedestrians and cyclists and was scheduled for removal once the project was completed.

CALTRANS ROAD & LANE CLOSURES FOR PALISADES FIRE AND EMERGENCY WORK – PCH & TOPANGA CANYON BLVD, WEEK OF SEPTEMBER 2 – 5

Due to the Labor Day holiday weekend, no closures are scheduled Saturday through 11:59 PM Monday. Closures will take place Tuesday – Friday, Sept. 2 - 5.

Pacific Coast Highway (PCH) Sunset Blvd, Pacific Palisades – Carbon Beach Terrace, Malibu

- **Speed limits:** McClure Tunnel–Temescal: 45 mph; Temescal–Sunset: 35 mph; Sunset – Carbon Beach Terrace: 25 mph in active work zones.

Potential nighttime lane closures from Ventura County Line to Carbon Beach Terrace, Malibu:

- Trancas – Guernsey, Corral Canyon Bridge - potential nighttime lane closures. South of Las Flores to Sunset Blvd: Roadway, drainage, slope, and electrical repairs; lane closures as needed, 9 PM–6 AM.

- Big Rock Dr: One lane in each direction, 7:00 PM – 5:00 AM, Sept. 5 – 6, for retaining wall work.

- Big Rock–Topanga Canyon Blvd: SCE trenching; northbound lane/shoulder closures, weekdays 4:00 AM–3:00 PM, weekends 4:00 AM – 4:00 PM.

- Topanga Canyon Blvd: Rock mitigation; one northbound lane closed, 6:00 AM – 3:00 PM weekdays.

Topanga Canyon Blvd from PCH to Grand View Dr:

- Closed to traffic nightly, midnight – 5:00 AM.

- One-way traffic control with pilot car, postmile 2.1–2.8, 5:00 AM – midnight.

- One-way traffic control for SCE trenching, postmile 3.4–4.2, 5:00 AM - midnight.

Click for more details on Caltrans Palisades Fire & Emergency Work in Malibu

CLOVER HEIGHTS STORM DRAIN IMPROVEMENTS

The City's contractor has completed installation of the new 48-inch reinforced concrete pipe along Clover Heights and is currently constructing the new catch basins. This project is estimated to be completed in September.

PALISADES FIRE BIG ROCK STORM DRAIN REPAIRS

The City's emergency contractors have made steady progress on replacing the damaged storm drain system in the Big Rock neighborhood. The majority of the pipelines have been replaced. The contractors have been working on the final pipeline installations. Completion is expected in September.

FIRE SAFETY

LEARN HOW YOUR NEIGHBORHOOD CAN BECOME A RECOGNIZED FIREWISE COMMUNITY IN ADVANCE OF FIRE SEASON

Becoming a recognized Firewise USA® community is a great way to make your neighborhood more fire safe, and the City of Malibu's Fire Safety Liaisons can guide you through the process. This voluntary program from the National Fire Protection Association offers a simple, effective framework to help communities reduce wildfire risk. The City is proud to currently have 13 recognized Firewise communities, most of which got certified with the of Fire Safety Liaison Bradley Yocum. To get your neighborhood involved, email Bradley at **BYocum@MalibuCity.org**. **Click here to learn more**.

GET A FREE HOME WILDFIRE ASSESSMENT TO BE READY FOR FIRE SEASON

Our Fire Safety Liaisons offer free Home Wildfire Assessments to help reduce your home's risk from flying embers during a wind-driven wildfire. Each 30–45 minute visit includes a walk-around and a no-obligation list of easy, often inexpensive steps you can take to harden your home. The City has conducted nearly 550 Assessments since the program was launched in 2019. **To book an appointment, click here**. Questions? Email **FireSafety@MalibuCity.org**.

CONDUCT BRUSH CLEARANCE BEFORE FIRE SEASON TO PROTECT YOUR HOME!

While the June 1 deadline for annual brush clearance has passed, it is still crucial to conduct brush clearance before fire season. It helps create the "defensible space" that firefighters need to protect life, property, and the environment. It is required by law, and non-compliant homeowners could face fines. For questions about brush clearance on properties with homes, please call LA County Fire Department Defensible Space Section at 818-222-1108. For vacant properties, please call LA County Agricultural Commissioner Weights / Measures at 626-575-5484.

PUBLIC SAFETY

SAVE THE DATE FOR THE CITY'S SAFETY & PREPAREDNESS FAIR - SEPTEMBER 6

The City of Malibu invites you to the 7th Annual Safety and Preparedness Fair, offering valuable resources and information on preparing for wildfires, earthquakes, storms, and other disasters, Saturday, September 6, 11:00 AM - 5:00 PM at City Hall.

The event will feature a Touch-a-Truck experience with vehicles from LA County Fire and Sheriff's Departments, Southern California Edison (SCE), Waste Management, and Tip-Top Tow. Kids can take part in a Bicycle, Scooter, and Pedestrian Safety Rodeo hosted by Safe Moves, enjoy a rock-climbing wall, and experience a realistic earthquake in the earthquake simulator.

The City thanks SCE for sponsoring this important event!

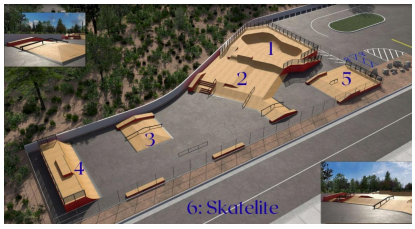

Meet your local public safety and law enforcement professionals, learn about emergency preparedness products and services from participating vendors, and enjoy food from Tommy's Burgers and Tikiz Shaved Ice food trucks. **Click here for more information.**

COMMUNITY SERVICES

PERMANENT SKATE PARK CONSTRUCTION PROGRESS - TEMPORARY SKATE PARK CLOSURE

Last week, the City's Permanent Skate Park had a significant step forward with the first concrete pour! To move on to the next construction phase, the City closed the Temporary Skate Park as of September 2. The City kept the Temporary Skate Park open as long as possible during construction of the Permanent Skate Park in response to requests from the community. **Click here for more information**.

COMMUNITY LANDS PHASE 3 – TAKE THE PERFORMING ARTS CENTER SURVEY THROUGH SEPTEMBER 8

Learn about and take the online survey related to the proposed Performing Arts Center on Parcel C at Cross Creek Ranch. The **survey** closes on Monday, September 8. To learn more about the City's Community Lands project, **visit the website**.

AFTERSCHOOL PROGRAMS

Tuesdays, Wednesdays, and Thursdays
Beginning the week of September 8
3:00 – 4:00 PM
Webster Elementary School and Malibu Elementary School Open to children in grades TK through 5. Three different programs will be offered afterschool at the elementary school sites: Pickleball, Basketball, and Improv Acting. Visit the **Community Programs webpage** for additional details and schedules.

NATURE PHOTOGRAPHY WORKSHOP

Monday, September 8
5:30 – 7:00 PM
Charmlee Wilderness Park
Free
Learn beginner photography concepts and practices, including the use of equipment, aesthetic principles, composition, light, color, and texture. To register online, visit the Registration webpage.

SENIOR TECH HELP – EMERGENCY PREPAREDNESS

Wednesday, September 10
9:00 – 10:30 AM
Malibu City Hall, Senior Center
Complimentary
Join Senior Center staff for a special Tech Help workshop focusing on emergency preparedness technology. Learn how to sign up for City Emergency Alerts, Everbridge, Watch Duty, and Southern California Edison Public Safety Power Shutoff (PSPS) notifications. Refreshments will be provided. For details, call 310-456-2489, ext. 357.

PARK TALES – STORYTIME IN THE PARK "PIZZA PARTY PICNIC"

Thursday, September 11
10:00 – 11:00 AM
Malibu Bluffs Park
Free
Storytime, snack, and art activity, in partnership with the Malibu Library. Additional details are on the Special Events webpage.

WELLNESS WORKSHOP – FLOW YOGA AND MEDITATION

Saturday, September 13
9:00 – 10:30 AM
Malibu Bluffs Park
Free
Learn ways to help release tension and stress, balance energy in the body, and promote a sense of well-being. Instructed by The Mindry. Register online, at the Registration webpage.

CAFFEINATED VERSE, OPEN MIC POETRY, AND FEATURED READERS

Saturday, September 13
11:00 AM
Malibu Library
Free

Join Malibu Poet Laureate Charlotte Ward and notable female readers at this complimentary monthly poetry event. Additional details are on the City's poetry website. RSVP not required.

MALIBU CITY GALLERY OPENING RECEPTION WITH JIM "TAZ" EVANS

Sunday, September 14
12:00 PM
Malibu City Gallery at City Hall
Free

The Malibu Arts Commission will host the opening art reception for Jim "Taz" Evans, including a Q&A with the artist, music, and refreshments. Mr. Evans has worked in the music and film industry for decades. He has produced numerous album covers, movie and concert posters, and other forms of artwork for celebrities and art enthusiasts. His work will be displayed at the Malibu City Gallery through October 24. The Gallery is open Monday through Friday, from 8:00 AM to 4:00 PM. Visit the Malibu Arts Commission website for additional information.

UPCOMING MEETINGS & EVENTS

SEPTEMBER 3
Malibu Library Speaker Series – Malibu Library, 7:00 PM

SEPTEMBER 4
Harry Barovsky Memorial Youth Commission Meeting – City Hall, 7:00 PM

SEPTEMBER 7
SBA Fire Recovery Workshop – City Hall, 12:00 PM

SEPTEMBER 8
City Council Regular Meeting – City Hall & remote via Zoom, 5:30 PM

SEPTEMBER 9
SBA Fire Recovery Workshop – City Hall, 6:00 PM

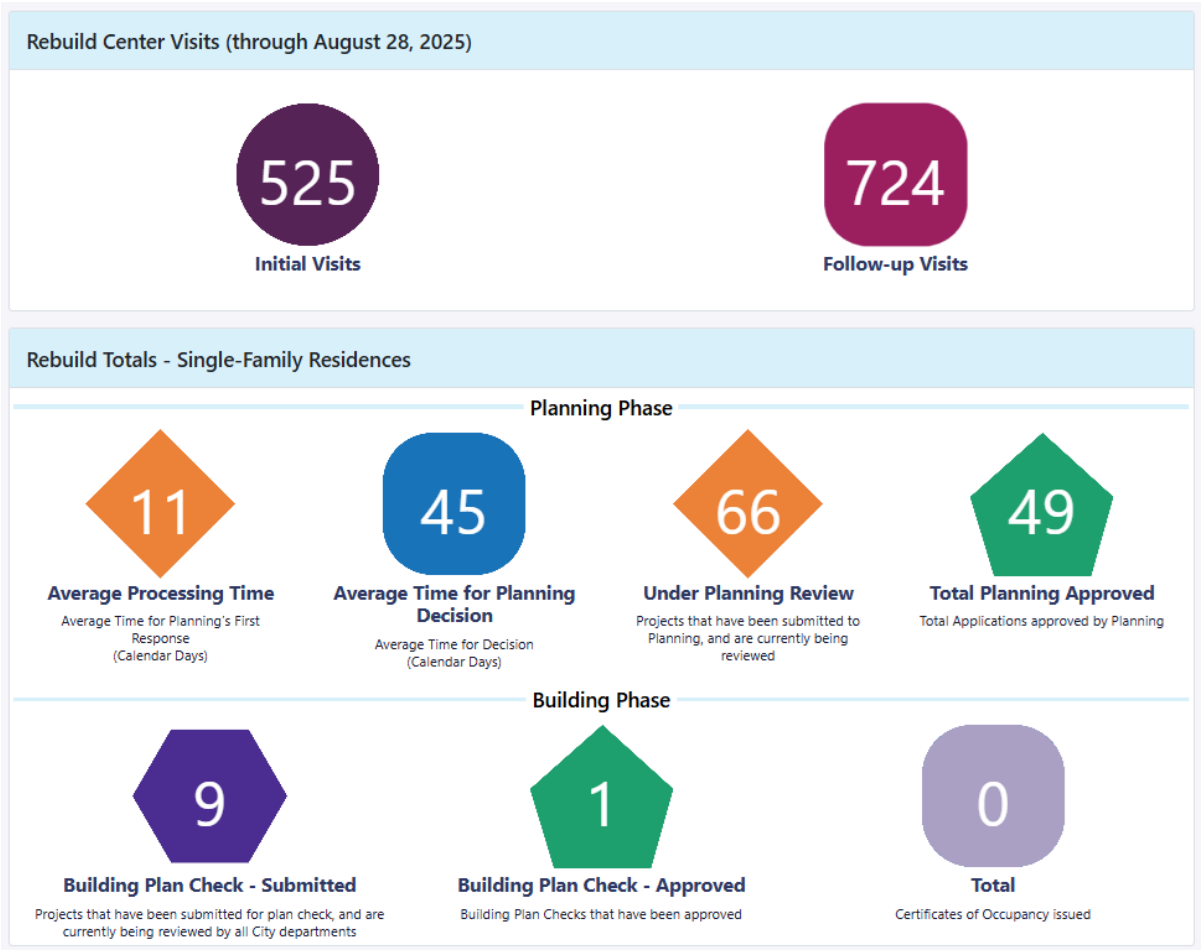

SEPTEMBER 10
SBA Fire Recovery Workshop – City Hall, 9:00 AM
