CITY OF MALIBU

CITY MANAGER'S NEWSLETTER

OCTOBER 9, 2025

Greetings Malibu,

As autumn settles over our rural coastal village, Malibu continues to move forward with energy, compassion, and purpose. This season brings important progress on our community priorities, from rebuilding after the Palisades Fire to strengthening wildfire readiness and investing in long-term safety and sustainability.

On a somber note, we learned on October 7 that a suspect has been arrested in connection with the devastating Palisades Fire. We thank the investigators and prosecutors for their tireless efforts. Learning that the fire may have been intentionally set adds another layer of pain to the profound losses our City has already endured. While this arrest brings some accountability, it does not undo the overwhelming destruction or the heartbreak it caused our community. We remain committed to getting families back into their homes. Supporting you through every step of recovery is our highest priority.

The City's Community Development Department continues its commitment to making the rebuild process faster and easier for homeowners. The launch of the new Archistar AI plan-check platform and the ongoing Rebuild Community Meeting Series mark major steps in streamlining the path to recovery. The City Council also approved comprehensive new Rebuild Policies and a Fee Waiver Program to support families returning home.

Our Fire Safety Liaisons remind everyone that wildfire season is far from over. Free Home Wildfire Assessments, brush clearance reminders, and Firewise neighborhood programs are vital tools to keep Malibu protected. We are deeply grateful to residents who continue to prepare, stay alert, and look out for one another.

The City continues to work closely with our partners at the LA County Sheriff's Department to address encampments citywide. This remains one of our top public safety priorities, and we are making progress every day.

Our dedicated City staff continues to make remarkable achievements working on behalf of Malibu, receiving awards for Professional Practice Ethics and Leadership, and Excellence in Financial Reporting.

The City also thanks the many residents who spoke passionately at the recent Southern California Edison Public Safety Power Shutoff (PSPS) meeting. Your voices make a difference, as Malibu continues to advocate for safer, fairer power practices.

Meanwhile, construction on the Permanent Skate Park is accelerating, exciting fall recreation programs are underway, and community events like Clean Bay Restaurant Program and HHW &

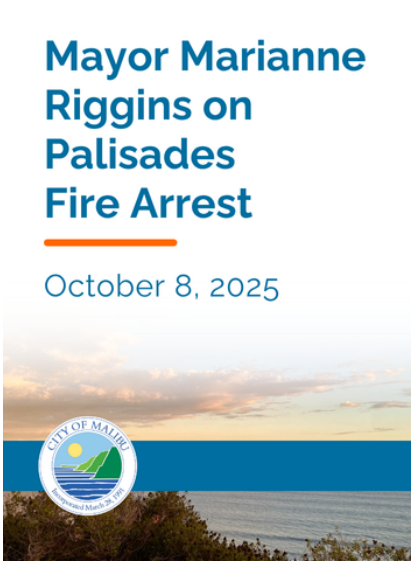

E-Waste Day help keep Malibu clean and sustainable.

Together, we're strengthening Malibu's resilience and spirit, one project, one home, and one neighbor at a time.

With gratitude,

Ambassador Candace A. Bond (ret.)
Interim City Manager
CBond@MalibuCity.org

CITY COUNCIL AND MANAGEMENT

STATEMENT FROM MAYOR MARIANNE RIGGINS ON ARREST OF PALISADES FIRE ARSON SUSPECT

My heart is heavy today as we learned that a suspect has been arrested in connection with the devastating Palisades Fire.

I want to thank the Bureau of Alcohol, Tobacco, Firearms and Explosives (ATF), the U.S. Attorney's Office, and all the investigators who worked tirelessly to seek justice. Their dedication to uncovering the truth honors everyone who was affected by this tragedy.

Learning that the fire may have been intentionally set adds another layer of pain to the profound losses our City has already endured. While this arrest brings some accountability, it does not undo the overwhelming destruction or the heartbreak it caused our community.

As we take a moment to acknowledge this difficult news, Malibu remains committed to getting families back into their homes. Supporting you through every step of recovery is our highest priority. Together, we are Malibu Strong.

- Marianne Riggins

CITY OF MALIBU EARNS 24th CONSECUTIVE AWARD FOR FINANCIAL TRANSPARENCY

The City of Malibu has been recognized for its commitment to financial accountability, earning the Government Finance Officers Association's Certificate of Achievement for Excellence in Financial Reporting for its Fiscal Year 2023–24 report. This marks the 24th consecutive year Malibu has received this honor. Earning this award for 24 years reflects the professionalism of our staff and dedication to transparency. The Certificate is the highest recognition in governmental accounting, awarded to reports meeting rigorous standards of clarity and completeness.

Click here to learn more about Malibu's financial management here.

MALIBU EDUCATION FOUNDATION GALA

Mayor Marianne Riggins, Councilmembers Haylynn Conrad and Doug Stewart, and Interim City Manager Candace Bond attended the Malibu Education Foundation Gala on Saturday, October 4 at the beautiful new Malibu High School (MHS) building. The event brought together Malibu residents, leaders, and MHS alumni. The event raised funds for Malibu students. A tree was dedicated honoring longtime Malibu educator Charlie Degarmo, who passed away recently.

The Malibu Education Foundation supports local students by funding academic programs, scholarships, arts, and enrichment opportunities. Donations are still being accepted.

COMMUNITY DEVELOPMENT

COMMUNITY DEVELOPMENT DIRECTOR YOLANDA BUNDY HONORED WITH PRESTIGIOUS NATIONAL LEADERSHIP AWARD

Community Development Director Yolanda Bundy, M.S., P.E., CBO, CFCO, has been selected to receive the 2025 Professional Practice Ethics and Leadership Award from the American Society of Civil Engineers. This prestigious honor recognizes her exemplary ethical leadership, integrity, and dedication to public service in the field of civil engineering. Director Bundy will be formally presented with the award during the ASCE Annual Conference on October 10 in Seattle, Washington.

Congratulations, Yolanda!

FIRE REBUILD COMMUNITY MEETING SERIES - LAS FLORES BEACHFRONT PROPERTY OWNERS

Community Development Director Yolanda Bundy, along with Assistant Community Development Director Tyler Eaton, met with Las Flores Beachfront property owners and their design professionals on October 8 to discuss next steps and continued coordination in the rebuild process. The meeting, led by Fire Rebuild Zone Captain Carl Randall, covered:

• Rebuild procedures and timelines
• Onsite Wastewater Treatment Systems
• Seawall requirements and permitting
• FEMA Base Flood Elevation standards

Residents are encouraged to stay engaged in the rebuild discussions - don't miss the upcoming community meetings, open to all interested community members.

Fire Rebuild Community Session
Wednesday, October 15, 2:00 PM - 4:00 PM, City Hall
Design Professionals Meeting
Thursday, November 13, 3:00-4:00 PM, City Hall

See Details of Upcoming Meetings

CITY MEETS WITH FIRE REBUILD ZONE CAPTAINS TO HEAR FEEDBACK FROM HOMEOWNERS TO IMPROVE REBUILD PROCESS AND OFFER ASSISTANCE

October 8, Community Development Department (CDD) Director Yolanda Bundy met with all 12 Rebuild Zone Captains at City Hall to share updates on the fee waiver program, review Zone Captain information, and discuss the upcoming community meeting series schedule, among other topics.

Contact Your Rebuild Zone Captain
The City urges all rebuild property owners to connect with their Zone Captain and share any challenges. Zone Captains share rebuild information with homeowners in their area about the City's new development portal tools, simplified planning materials, and faster review processes, and gather feedback from homeowners to bring back to the City's Rebuild Team for additional assistance and to help improve the process.

MALIBU REBUILD COMMUNITY MEETINGS KICK OFF THIS WEEK WITH A DEMO OF NEW ARCHISTAR ECHECK AI PLATFORM

The City of Malibu Community Development Department (CDD) Rebuild staff hosted the first session of the Malibu Community Rebuild Meeting Series designed to help streamline the rebuild process and support homeowners. The series will run from October 2 through January 14.

The kickoff meeting took place on October 2 at City Hall. A recording of the session is available on the City's YouTube channel.

At the kickoff meeting, staff introduced the new Archistar AI platform, which launched on September 30 on the City's Development Portal. This innovative tool uses artificial intelligence to review building plans for zoning and Building Code compliance before submission—making the rebuilding process faster, clearer, and easier.

The October 2 Meeting Featured:

- A live demonstration of the Archistar AI platform.
- An explanation of how it fits into the City's new eCheck AI Pilot Program.
- Opportunities for design professionals—especially those working on single-family homes impacted by the Palisades Fire—to provide feedback after testing the tool.

Upcoming Meetings:

- Design Professionals Meetings: November 13, December 3
- Fire Rebuild Community Sessions: October 15, November 18, December 11, January 14

See the Presentation **Watch Video of the Meeting**

COMMUNITY GATHERING FOR FIRE SURVIVORS AT DUKE'S - OCTOBER 11

Malibu residents affected by January's devastating fires are invited to a free community gathering at Duke's Restaurant on Saturday, October 11, 1:00 PM - 4:00 PM. Duke's is located at 21150 Pacific Coast Highway.

The event offers an opportunity for neighbors to reconnect, share stories, and support one another as the community continues to heal and rebuild. Hosted in partnership with the Big Rock neighborhood, the gathering has expanded to include nearby areas such as Las Flores and La Costa.

Duke's, which has been working to recover from fire and mudslide damage, is opening its doors and providing food, refreshments, music and moments for reflection and connection. All residents impacted by the fire are welcome to attend and celebrate Malibu's resilience and community spirit.

CITY OF MALIBU COMMUNITY DEVELOPMENT TEAM ATTENDS LOCAL COMMUNITY AND REBUILD EVENTS

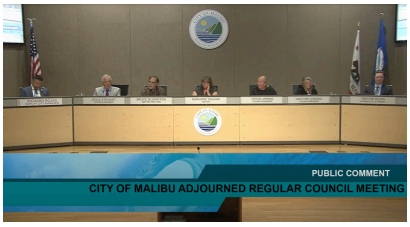

On September 27, Mayor Marianne Riggins and Interim City Manager Candace Bond joined Community Development Department (CDD) staff to participate in Assemblymember Jacqui Irwin's Palibu Day of Service at Pepperdine University.

At the event, they connected with community members and local organizations, including the Girl Scouts, YMCA, Malibu Education Foundation, UCLA, and Pepperdine. The event offered residents the opportunity to volunteer in a wide range of environmental and humanitarian charitable activities. Residents expressed gratitude for the City's efforts and asked about opportunities to volunteer and get involved in cleanups and community events.

On September 28, CDD staff and Mayor Riggins attended the Palibu Chamber of Commerce Malibu Rebuild Expo, where families signed up to connect with the Fire Rebuild team.

FINAL POLICY REBUILD ADOPTION

At the September 29 City Council meeting, the City Council approved new Rebuild Policies, with the exception of Item #10 (Beachfront Development and Sea Level Rise Policy). This policy document reflects the outcome of Council discussions held on July 22, August 27, and September 25, 2025, prior to its final adoption. The Rebuild Policies are intended to assist residents in rebuilding disaster-damaged homes.

Watch Video **See Details**

FEE WAIVER PROGRAM

The City of Malibu has launched a Fee Waiver Program to help property owners impacted rebuild by eliminating City planning and building permit fees for like-for-like, owner-occupied homes.

ENVIRONMENTAL

HHW/E-WASTE & SHRED DAY

October 18, 10 AM – 2 PM
Malibu City Hall
Malibu residents are invited to safely dispose of household hazardous waste (HHW), electronic waste, and confidential documents on Saturday, October 18 at the upper parking lot of Malibu City Hall (23825 Stuart Ranch Road).

Event staff will remove items directly from your vehicle. Accepted HHW and e-waste include water-based paint, used motor oil, antifreeze, batteries, unbroken fluorescent bulbs, and electronics (limit: 15 gallons or 125 lbs per trip).

Document shredding is also available, with a limit of 5 boxes or 5 bags per household. All shredded materials will be recycled. Participants must remain in their vehicles.

For a full list of accepted items and additional HHW events, **CLICK HERE**. Rain cancels event.

CLEAN BAY INSPECTIONS KICK OFF OCTOBER 15

Now's your chance to show your environmental credentials, Malibu restaurants! Annual Clean Bay inspections start October 15 to keep our coast sparkling. Make sure dumpster areas are tidy with lids closed, spills are cleaned up quickly, and storm drains & hazardous materials are handled safely. Every little step helps protect our beautiful beaches and ocean.

See the checklist and tips to meet the requirements **on the Clean Bay website**. Questions? Email **MBuilding@malibucity.org** or call (310) 456-2489, ext. 390.

FIRE SAFETY

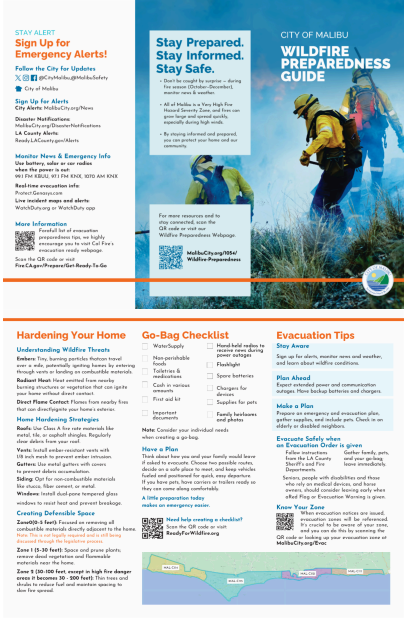

CITY OF MALIBU FIRE SAFETY LIAISONS' FIRE CONDITIONS UPDATE – OCTOBER 8 - "MODERATE" FIRE DANGER

Weather: The fire weather in Malibu for the coming week will be in the "Moderate" range with some areas on the north side of the Santa Monica Mountains reaching the "High" threshold.

Weather conditions in Malibu will remain seasonally average with temperatures in the low to mid 70s, humidity will average around 50%.

Rainfall: At this time of year, our region needs 2–4 inches to significantly reduce fire danger (not yet received). The remnants of

a tropical storm will keep humidity high for the coming days, which is helpful.

Early next week, a cold low-pressure system could bring widespread rain to the region, including Malibu. If this happens, it could slightly improve our fuel conditions.

Santa Ana Winds: No significant or Santa Anas winds are in the forecast. Peak season for Santa Anas is still ahead, and we see an average of 8 Santa Ana events per year. Santa Anas strongly increase fire danger, and make any fire spread faster and grow larger, and are a necessary primary factor for Red Flag conditions.

Fuel Conditions:

- Live fuel moisture critical at 60%
- Grasses fully dried out, highly flammable
- Fire risks increase with humidity below 25%

What You Should Do:

- Maintain brush clearance, harden homes, and closely monitor fire weather, make and review emergency and evacuation plans, sign up for alerts from **the City** and **LA County**.
- Be prepared for potential wind-driven fire events later this season - **see the City's Quick Preparedness Guide.**

PUBLIC SAFETY

ADDRESSING PUBLIC SAFETY ISSUES RELATED TO HOMELESSNESS IN MALIBU

The City continues to work closely with our partners at the LA County Sheriff's Department to address encampments citywide. This remains one of our top public safety priorities, and we are making progress every day. This week, Captain Dustin Carr, Commanding Officer of the Malibu/Lost Hills Sheriff's Station (LASD) briefed the City and Supervisor Horvath's team on their recent efforts to address community concerns and options about public safety related to homelessness. All parties continue to work together on solutions to remove encampments in Malibu.

Some efforts underway include:

- Community Services Department staff collaborated with LASD to develop new Legacy Park signage related to the Very High Fire Hazard Severity Zones and added verbiage regarding the Malibu Municipal Code's camping and encampment regulations.
- Removed illegal encampments from Surfrider Beach on Oct. 4
- On Oct. 6, the City, LASD, and LA County Department of Beaches & Harbors addressed an extensive encampment in Westward Beach.

- LASD, Malibu's Homeless Outreach Team and The People's Concern continue to contact unhoused individuals, provide outreach and conduct enforcement as applicable.
- Parking enforcement continues at the Malibu Library and Civic Center area. The County has installed new signage to aid in enforcement.
- LASD is continuing to enforce laws fairly and equally.

The meeting followed the City Council's declaration of a local state of emergency on September 29, 2025. While the City actively removes known encampments year round, this declaration facilitates a more rapid removal of illegal homeless encampments while the Live Fuel Moisture content remains below 65% - a critical level.

For more information on the City's progress in addressing homelessness, **visit the webpage**.

CITY STAFF WORKING WITH CAL OES AND FEMA ON EMERGENCY PREPAREDNESS AND RECOVERY PLANNING

The City of Malibu continues to meet weekly with CalOES and FEMA to secure vital resiliency resources that support the City's emergency preparedness and long-term recovery planning. These ongoing meetings reflect Malibu's commitment to strengthening community resilience in the face of natural disasters and other hazards.

For more information about these coordinated efforts, please contract **Sarah Flores, Emergency Services Coordinator**.

MALIBU RESIDENTS SPEAK OUT ON SCE POWER SHUTOFFS

At the Southern California Edison (SCE) meeting on Public Safety Power Shutoffs (PSPS) September 30 at City Hall, Malibu residents gave two hours of impassioned testimony on the severe impacts PSPS outages have on safety and daily life. Many shared how repeated power cuts left them traumatized and terrified and without critical communications during wildfires and emergencies.

Despite the City and community's strong advocacy, SCE refused to make any changes to its PSPS policies. Malibu continues to urge SCE and state regulators to take immediate action to protect lives, maintain communication during emergencies, and reduce the devastating impacts of prolonged outages.

Report Southern California Edison concerns:
To report or check the status of a power outage, hazards, PSPS or other safety issues, contact Southern California

Edison:

- Phone: Call the outage/hazard hotline 800-611-1911
- SCE Wildfire Safety Outreach Email: **wildfireoutreach@sce.com**
- Online: **www.sce.com/outages**

File complaints with the Public Utility Commission Public Advisor's Office: (866) 849-8390, **public.advisor@cpuc.ca.gov**.

Contact state representatives:

- Senator Ben Allen: (310) 414-8190 **Senator.Allen@Senate.CA.gov**
- Assemblymember Jacqui Irwin: (805) 370-0542 **assemblymember.irwin@assembly.ca.gov**

See SCE's Presentation

PARTNER WITH THE SHERIFF'S DEPARTMENT TO PROTECT YOUR PROPERTY

The City encourages fire-impacted property owners to submit a Letter of Agency to the Los Angeles County Sheriff's Department (LASD). This letter authorizes law enforcement to remove trespassers from your property with advance authorization from the property owner — especially important for vacant or infrequently used lots. To submit a Letter of Agency **fill out and submit the form** to the LASD.

Submitting a Letter of Agency:

- Helps enforce trespassing laws
- Enhances public safety
- Protects vacant or fire-damaged properties from unwanted activity

FIRE SAFETY

NFPA FIREWISE USA™ Residents reducing wildfire risks

LEARN HOW YOUR NEIGHBORHOOD CAN BECOME A RECOGNIZED FIREWISE COMMUNITY IN ADVANCE OF FIRE SEASON

Becoming a recognized Firewise USA® community is a great way to make your neighborhood more fire safe, and the City of Malibu's Fire Safety Liaisons can guide you through the process. This voluntary program from the National Fire Protection Association offers a simple, effective framework to help communities reduce wildfire risk. The City is proud to currently have 13 recognized Firewise communities, most of which got certified with the of Fire Safety Liaison Bradley Yocum. To get your neighborhood involved, email Bradley at **BYocum@MalibuCity.org**. **Click here to learn more**.

GET A FREE HOME WILDFIRE ASSESSMENT TO BE READY FOR FIRE SEASON

Our Fire Safety Liaisons offer free Home Wildfire Assessments to help reduce your home's risk from flying embers during a wind-driven wildfire. Each 30–45 minute visit includes a walk-around and a no-obligation list of easy, often inexpensive steps you can take to harden your home. The City has conducted nearly 550 Assessments since the program was launched in 2019. **To book an appointment, click here**. Questions? Email **FireSafety@MalibuCity.org**.

CONDUCT BRUSH CLEARANCE BEFORE FIRE SEASON TO PROTECT YOUR HOME!

While the June 1 deadline for annual brush clearance has passed, it is still crucial to conduct brush clearance before fire season. It helps create the "defensible space" that firefighters need to protect life, property, and the environment. It is required by law, and non-compliant homeowners could face fines. For questions about brush clearance on properties with homes, please call LA County Fire Department Defensible Space Section at 818-222-1108. For vacant properties, please call LA County Agricultural Commissioner Weights / Measures at 626-575-5484.

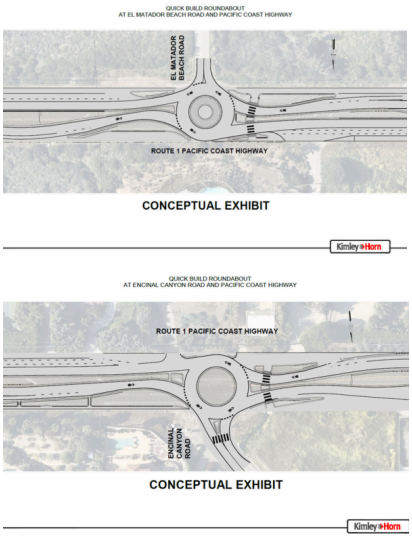

VIDEO: HARDENING YOUR HOME FOR WILDFIRE SEASON PREPAREDNESS

Every Malibu resident has a shared responsibility to be ready for wildfires. Hardening your home improves its chances of survival, which should give you more confidence to evacuate when orders are given.

The City's Fire Safety Liaisons offer free Home Wildfire Assessments for residents – they'll conduct an exterior inspection of your home and give you a checklist of simple, often inexpensive steps to harden your home against flyer embers from wildfire, such as covering vents with fine steel mesh, boxing in eaves, double-glass windows, fire-resistant siding, and removing flammable materials away from the home. They also provide guidance on maintaining defensible space by spacing out plants on your property. Since 2019, they've completed more than 600 assessments — that's a lot, but it is just 10% of Malibu homes. We want to increase that number, so please contact the Fire Safety Liaisons today to schedule your free Home Wildfire Assessment.

PUBLIC WORKS

CITY AND CALTRANS TO HOLD VIRTUAL TOWNHALL MEETING ON PCH ROUNDABOUTS PROJECT - OCTOBER 22

The City Public Works Department and Caltrans will hold a virtual town hall meeting to discuss the Pacific Coast Highway (PCH) Quickbuild Roundabouts Project on Wednesday, October 22, 6:00 PM - 7:00 PM. A second meeting will be held in-person at City Hall in November, and the Planning Commission will discuss the project in December. Details of those meetings will be announced.

The project aims to improve safety and traffic flow on PCH by educing traffic speeds, improving safety for parking, pedestrians, and improving visibility. Construction is expected to start this fall.

Meeting details will be posted in advance on the City website calendar.

PERMANENT SKATE PARK CONSTRUCTION RAMPING UP

Crews continued placing concrete for the bottom portions of the bowl and additional Skate Park sections. This work will continue for the next few weeks. Crews are also preparing the deck areas, working on the coping, and preparing to excavate for utilities.

The Skate Park is designed to provide a safe and modern space for the entire community to enjoy. This new Skate Park will feature street and transition elements including, stairs, rails, ledges, banks, a flow bowl, quarter pipes, spine, extensions, and waterfalls making it an exciting addition to our community's recreational spaces.

See Skate Park Details

PUBLIC WORKS & STATE PARKS ADDRESSING SEDIMENT BUILDUP IN CREEK BEFORE WINTER RAINS

On October 7, Interim City Manager Candace Bond, Deputy City Manager Richard Rojas, and Public Works Department met with representatives of the Serra Retreat Neighborhood's Serra Canyon Property Owners Association (SCPOA) and Richard Fink II, District Superintendent for the Angeles District, California State Parks to discuss ways to address the buildup of sediment in Malibu Creek in advance of winter rains. Following the Franklin Fires, winter rains washed large amounts of sediment into Malibu Creek, leading to a very high buildup in the creek bed, raising concerns about the potential for the creek to overflow and threaten adjacent properties in the Serra Retreat neighborhood.

CLOVER HEIGHTS STORM DRAIN IMPROVEMENTS

The contractor completed the final pavement restoration. All other improvements have been completed, and the contractor is currently working on final details.

After the 2018 Woolsey Fire, the City experienced heavy rains in 2019 causing damage to the drainage system on Clover Heights. The City received grant funding through the FEMA Hazard Mitigation Grant Program for design and construction of a new storm drain line on Clover Heights. The design for this project began in Fiscal Year 2021-2022, construction started in Fiscal Year 2024-2025 and the project is anticipated to be complete in Fiscal Year 2025-2026.

COMMUNITY SERVICES

YOUTH BASKETBALL LEAGUE, REGISTER BY OCTOBER 13

Games: Saturdays, December 6 – February 14
Malibu High School Small Gym
$250

The Youth Basketball League is an excellent recreational opportunity for children in grades K-8 to learn fundamentals, sportsmanship, and teamwork. Volunteer basketball coaches are also needed. If there is space available, families may register after the October 13 deadline ($300).

Learn More

SENIOR CENTER CRAFTING, SUGAR SKULLS

Tuesday, October 14
1:00 – 2:30 PM
Malibu City Hall, Senior Center
Complimentary

Join Senior Center staff for this fun, seasonal cultural art activity. For details or to RSVP, contact (310) 456-2489, ext. 357.

NATURE WALK AND STORY TIME

Wednesday, October 15
10:30 AM
Meet at the Malibu Library, Tour Legacy Park
Complimentary

City Naturalists will guide you through Legacy Park at a slow pace, allowing everyone to explore and enjoy the park's native landscape, habitats, and artwork. The walk will conclude with a story read by a librarian. The path accommodates strollers, and extended family is welcome. An adult must accompany children. Pre-registration is required.

Register

WELLNESS WORKSHOP, REIKI SOUNDBATH

Thursday, October 16
4:30 – 6:00 PM
Malibu Bluffs Park
Complimentary

Learn ways to help release tension and stress, balance energy, and promote a sense of well-being. Instructed by The Mindry. To register, visit the **Registration webpage**.

Register

SUNSET HIKE

Friday, October 17
7:00 PM
Charmlee Wilderness Park
Complimentary

Discover Charmlee Wilderness Park at sunset and experience the park's natural surroundings. The hike will be on uneven terrain for 90-minutes. Hiking boots or sturdy closed-toe shoes are recommended.

Register

POETRY WRITING STUDIOS VIBRANT CYCLES

Saturday, October 18
11:00 AM
Malibu Library
Complimentary

Join featured poet Malibu Poet Laureate Charlotte Ward for this generative poetry writing studio where participants cycle through each other's energies, read and discuss poems to stimulate imaginations, and write original poems from prompts or personal impetus.
RSVP not required.

See Details

HALLOWEEN BU BASH CARNIVAL

Friday, October 24
3:00 – 6:00 PM
Malibu Bluffs Park
Ages 2 -10, $10 per participant
Ages 2 and Under, Complimentary

The Bu Bash Halloween Carnival will include games, prizes, costume catwalk, and bounce houses. Grab a bite to eat at Ardi's Eats and Sweets Food Truck, then listen to Spooky Stories with the Malibu Library! Pre-registration is highly recommended. Tickets for this event will sell out.

Register
