This July, Celebrate Parks and Recreation Month with the City of Malibu

(Malibu, CA) - This July, join the City of Malibu Community Services Department for Park and Recreation Month, as we celebrate how Malibu is stronger, more vibrant and more resilient because of parks and recreation.

"Join us in celebrating Malibu's parks and recreation facilities and programs, and the professionals who make them possible," said Mayor Bruce Silverstein. “They have the power to bring people together, inspire healthy lifestyles, connect us with nature and create lasting memories.”

With everything from CineMalibu Movies in the Park at Malibu Bluffs Park, Learn to Swim Lessons at the Malibu Community Pool, Senior Luncheons, and Wellness Workshops, to Sunset Hikes at Charmlee Wilderness Park, we encourage the community to grow and try something new that may benefit health and well-being.

Every year, Park and Recreation Month is promoted by the National Recreation and Park Association (NRPA), the nation’s leading nonprofit organization dedicated to building strong, vibrant, and resilient communities through the advancement of public parks, recreation, and environmental conservation.

This year’s theme is “The Power Of” — the power of parks and recreation, play, nature, community, belonging, well-being, and the professionals who make these experiences possible for communities every day.

Throughout Park and Recreation Month, Malibu will celebrate the ways parks and recreation reveal the power of what connects us:

- The Power of Connection: Parks and recreation provide spaces where relationships grow, cultures meet and communities bond.
- The Power of Play: From playgrounds to programs to youth sports, play fuels creativity, joy, and lifelong learning.
- The Power of Community: Public spaces offer room for everyone to gather, celebrate, and heal.
- The Power of Nature: Access to nature restores, inspires, and improves quality of life.
- The Power of Belonging: Welcoming parks and programs provide spaces where everyone feels valued.
- The Power of Well-Being: Parks and recreation advances health, resilience, and shared community benefits.

To register for a community program, visit MalibuCity.org/Register or call Malibu Bluffs Park at (310) 317-1364 for more information.
