Subject: City of Malibu 2008-2014 Adopted Housing Element (4th cycle)

Dear Mr. Campora:

The City of Malibu is pleased to submit its adopted 4th cycle Housing Element update for your review. The element was adopted by the City Council at its hearing on August 26, 2013. With the exception of entering the final public hearing dates, the adopted element is the same as the draft that was found in compliance in your letter of July 27, 2012.

Please note that the City Council also approved implementation actions including the Affordable Housing Overlay Zone and Code amendments for special needs housing at the August 26, 2013 hearing.

If you have any questions, please contact me at 310-456-2489 ext. 265 or our consultant John Douglas at 714-628-0464. We look forward to receiving your final review letter.

Sincerely,

Joyce Parker-Bozylinski, AICP
Planning Director
